

## **UIC (UNITY IN CHRIST) PARTNERSHIP & CONSULTANT MINISTRIES**

Dear Pastors, Ministry and Business Leaders,

You, your church, business, family, and friends are cordially invited to host a prayer gathering with the Body of Christ throughout Ohio in association with others in our nation and globally. God gave a vision of united repentance to director and coordinator Jonathan Friz of Boston MA. which has continued to grow from cities, to states, and now nations abroad - as people hunger for the presence of God. Our focus is prayer, fasting, and turning wholeheartedly back to God and His ways through repentance. It is with strategy and unity, based upon God's Word and our need as a nation, to unite as one with true and deep, heart-rending repentance, honest humility and a desperate need for God and God alone to heal our land. When we pray, and God finds His conditions met (2 Chronicles 7:14-15), then we will see His glory, the manifest presence of God, come and inhabit His people. In order to stay focused and unified as one voice crying unto God, we offer targeted scriptures to pray into during the 10 Days of Prayer. Please feel free to add additional scriptures, for God holds His Word above His name, so also will we. It is His truth that frees us (John 8: 31, 32), and His Word that convicts us (2 Timothy 3:16) and washes us (Eph. 5:26), renews our minds (Rom.12:1, 2), and changes us. May we fix our faith and focus on the face of our Heavenly Father as we unite in prayer across our nation. Each prayer leader will guide the people in committed and united prayer to put God in remembrance of His Word as we stand in agreement - even as it relates to the current events and situations which exist politically, spiritually, nationally, personally, and economically. During the united prayer gatherings, we ask each place of worship to allow Holy Spirit to cleanse us, correct us, empower us, speak through us, and transform us with His Word. Then, we will see transformation. For God watches over His Word to perform it, and it cannot return to Him void (Isaiah 55:10, 11). You

have been given covenantal rights and spiritual authority to break the yokes of bondage, reveal truth, expose darkness, cut off wickedness, and bring back the presence and glory of God to this nation. We are in agreement with you and His Word. Please RSVP your participation – so that we can list the partnering locations. Thank you for your consideration to stand for our nation and nations abroad, His bride, The Church of whom He so deeply loves.

Sincerely,

*Pastor Vontayne Smith*
