## Hardmount Washer-Extractors

SCT020

20 lb (9 kg)

SCT030

30 lb (13.6 kg)

SCT040

40 lb (18 kg)

SCT060

60 lb (27 kg)

SCT080

80 lb (36 kg)

SCT100

100 lb (45 kg)

A heavy-duty design meets superior machine mechanics to form the industry's most trusted hardmount washer-extractor.

- Strong frame lasts longer, balances loads more efficiently, and is designed to reduce sound and vibration levels
- Advanced inverter drive system provides smooth, reliable performance
- Higher extraction speeds mean shorter dry times and lower energy bills
- Sump system design maximizes cleaning power while using 7% less water
- Leak detection with our patented Water Guardian, saves water by detecting slow or leaking fill-valves and drains
- Easily serviceable with front panel access

### Quantum® Touch Control

Reimagine your laundry experience with the Speed Queen Quantum Touch display. Clear, easy to use, easy to understand directions with profitable cycle modifiers enhance your customers' experience and increase return on investment.

- User-friendly screen with operating instructions built in as part of the control
- 3 basic cycles, 1 custom cycle, 3 basic temperature options
- Easy-to-understand cycle modifier prompts will encourage your customers to customize their wash
- Flexible pricing & additional revenue opportunities with customizable cycle modifiers, time-of-day pricing and lucky cycle options
- 30+ languages available
- On-screen timer so your customers know exactly how much time their cycle will take
- Speed Cycle option for those who want to get in and out quickly

# Stacked Tumble Dryers

STT30

2x30 lb (14 kg)

STT45

2x45 lb (20 kg)

STT55

2x55 lb (24 kg)

Our tumble dryers are built with a single purpose: performance. They are specifically designed with fewer moving parts, so you'll face fewer maintenance issues over their lifespan.

- Axial Airflow provides the most concentrated and efficient drying possible to make dry times even faster, while saving you money
- Patented oval cylinder perforations prevent small metal objects from passing through and damaging the dryer's sweep sheets
- Extra-large doors and heavy-duty hinges stand up to the repeated use of high-traffic vended laundries
- Inverter-driven motors

## Quantum® Touch Control

Reimagine your laundry experience with the Speed Queen Quantum Touch display. Clear, easy to use, easy to understand directions with profitable cycle modifiers enhance your customers' experience and increase return on investment.

## Quantum® Gold Control

Offers five basic cycles and benefits such as PC programming and machine audit capabilities, as well as time-of-day pricing, and a lucky cycle for loyal customers. As gas prices continue to rise, Quantum Gold enables owners to set dry cycle times right down to the second for maximum profitability.

## ProCapture™ by Speed Queen®

Through an industry-first patented process, ProCapture by Speed Queen captures up to 98% of tumble dryer lint. This breakthrough technology produces a number of benefits including real dollars in savings.

# Stacked Washer-Extractor/Tumble Dryer

SST30

2x30 lb (14 kg)

SST50

2x50 lb (25 kg)

Speed Queen's stacked washer-extractor/tumble dryer, featuring the Quantum® Touch control, is a unique product that truly delivers return on investment.

- Designed to produce maximum ROI per square foot for laundries where space is at a premium
- Offers all the benefits of a Speed Queen 30-pound washer-extractor and tumble dryer (50-pound version also available)
- A flush-mounted soap dispenser contributes to the machine's sleek, modern design, that includes high polish stainless steel with chrome accents
- Minimal front fasteners gives quick access to key washer-extractor components to improve serviceability
- Tumble dryer features two cycle modifiers for additional profit potential

## Quantum® Touch Control

Reimagine your laundry experience with the Speed Queen Quantum Touch display. Clear, easy to use, easy to understand directions with profitable cycle modifiers enhance your customers' experience and increase return on investment.

- User-friendly screen with operating instructions built in as part of the control
- Washer-Extractor: 15 total cycle options, 3 basic cycles, 1 custom cycle, 3 basic temperature options
- Easy-to-understand cycle modifier prompts will encourage your customers to customize their dry
- Flexible pricing & additional revenue opportunities with customizable cycle modifiers, time-of-day pricing and lucky cycle options
- 30+ languages available
- On-screen timer so your customers know exactly how much time their cycle will take
- Speed Cycle option for those who want to get in and out quickly
- Flexible Payment Options - Coin, Card, Mobile, Cash
