

Commercial Single Washers and Dryers

SFN

21.5 lb (9.5 kg)

SWN

16 lb (7.3 kg)

SD(G/E)

18 lb (8.2 kg)

Front Load Washers

- Revolutionary balancing technology redistributes even the most unbalanced loads for consistent cycle times, minimized vibration and reduced noise
- Increase spin speed extracts 440 G-Force to maximize moisture removal, helping to minimize dry times
- 20% increase in capacity with improved water usage for superior washability, increased resident satisfaction and lower utility bills
- Heavy-duty design features like a rugged suspension system and stainless steel washtub and outer drain tub to deliver long-lasting performance
- Four times more flushing and siphoning delivers superior cleaning of the 4-compartment soap dispenser
- Front control option is ADA compliant without base

Top Load Washers

- Durable stainless steel tub becomes smoother with each use, so it won't pill, snag or fray clothes
- 150 G-Force final spin speed extracts more water from loads reducing the energy costs associated with long drying times
- Advanced suspension system decreases the possibility of an unbalanced load issue
- Secure high-capacity coin vaults feature a double-wrapped steel front and are secured to the washer top with heavy duty bolts
- No lid lock

Single Dryers

- Extra-large capacity with industry-leading large door opening for easy loading and unloading
- Durable galvanized steel cylinder
- Upfront lint filter for easy cleaning
- Front control option is ADA compliant without base

Commercial Stacked Washers and Dryers

ST(G/E)

W: 21.5 lb (9.5 kg)
D: 18 lb (8.2 kg)

SS(G/E)

2 × 18 lb (8.2 kg)

Stacked Washer-Dryers

- A front load washer and dryer in the floor space of one unit
- Revolutionary balancing technology redistributes even the most unbalanced loads for consistent cycle times, minimized vibration and reduced noise
- Increase spin speed extracts 440 G-Force to maximize moisture removal, helping to minimize dry times
- 20% increase in capacity with improved water usage for superior washability, increased resident satisfaction and lower utility bills
- Heavy-duty design features like a rugged suspension system and stainless steel washtub and outer drain tub to deliver long-lasting performance
- Four times more flushing and siphoning delivers superior cleaning of the 4-compartment soap dispenser
- Extra-large capacity with industry-leading large door openings for easy loading and unloading
- Durable galvanized steel cylinders
- Upfront lint filters for easy cleaning
- Bottom unit is ADA compliant

Stacked Dryers

- Two dryers in the floor space of one
- Extra-large capacity with industry-leading large door openings for easy loading and unloading
- Durable galvanized steel cylinders
- Upfront lint filters for easy cleaning
- Bottom unit is ADA compliant
