**Vaccine Questions:** Please Put a Check Mark in the boxes that match what you did. This will help us determine what to give your pigeon when they arrive on site. We highly recommend vaccinating for PMV and Salmonella with a booster before shipping. Check out the OLR Shipping Suggestions on the Website if you have questions as to why we recommend.

Vaccinated Birds for PMV and Salmonella <u>WITH</u> Booster:	
Vaccinated Birds for PMV and Salmonella, NO BOOSTER:	
Vaccinated Birds for JUST PMV <u>WITH</u> Booster:	
Vaccinated Birds for JUST PMV, NO BOOSTER:

(We will also analyze the data to see how much vaccination can impact the success rate of your bird making it to road training and we will post it on the website when it is complete.)
