Lessons are still required to be paid even if the student is absent, this is due to the studio still needing to pay teachers and studio hire. Fees are due by Friday each week, and can be paid via the student portal, if you are wishing to pay fortnightly then you must pay in advance rather than behind (In week 1 pay for week 1 and 2). Unpaid accounts will receive a late fee of \$10 per student per week. If fees go unpaid without a valid reason for more than 2 weeks your enrolment will be paused.

Students enrolled in Spark Dance Centre will be expected to come to classes ready to learn, and always show respect for themselves, their class mates and their teachers. Students should be arriving to class ready to dance, with hair back out of their face and with a bottle of water. Parents are not permitted to be in the studio for the duration of the lesson.

Costumes

SPARK DANCE CENTRE

We will have an end of year showcase where students will get to perform routines they have learned throughout the year for their friends and family. We pride ourselves in making the students look and feel great on stage in both catalogue and custom made costumes. Parents can expect to pay an average of \$60-\$90 per costume, each class will have 1-2 costumes.

PRIVATE TUITION

Private lessons are available for any student all the way from tiny tot age. These can be taken recreationally to work on technique and skills and to get some extra practice in or they can be taken for competition (If students are wishing to do competitions then they must also do their age group ballet class)

If any students would like to do a duet with another student or a trio with 2 other students they can share a private lesson too (cost is then split 2 or 3 ways)

Competitions have a variety of levels therefore dancers of all different abilities can do them. Competitions provide students with great self confidence and teaches them a lot of valuable lessons about working hard to see results, commitment, being a respectful competitor when both winning or losing, supporting other dancers from other studios and of course proudly representing your studio.
