Rishi Pranaya (Phase – I) is situated within the New Town Planning Area (NTPA) and is governed by the Land use Development and Control Plan (LUDCP). May we add, is created by the Visionaries at West Bengal Housing Infrastructure Development Corporation (WBHIDCO).

The NTPA LUDCP is drafted meticulously to bring in organized development in the surrounding of New Town by guiding planned infrastructure facilities for sustaining the residential and business activities in the NTPA and an inclusive growth along with New Town.

Situated at NTPA, Rishi Pranaya (Phase – I) shall not only provide an environment friendly and aesthetically attractive new urban destination, it shall also functionally integrate its residents with the future metropolitan structure of New Town.

For this, Rishi Pranaya has planned a dedicated transport facility via one Tata Winger or equivalent mini-bus from dawn to dusk to important places such as the Eco Space Bus Stop, Eco Park and the Proposed Kalkhetra Metro Station.

RAJARHAT Project is under New Town Planning Area
