

Laurent Basset

Director/DP

Home : (323) 654-1303

Mobile: (323) 481-3168

realitydp@gmail.com

Laurent has been a Director of Photography over three decades with a strong background in short form and long form documentaries as well as reality television. His Directing and editing experience bring both a keen sense of shot composition and a sensibility towards content and storyline. Laurent easily adapts to different genres from docu-reality to competition and brings a cinematic quality to any project. References available upon request.
