## General Information

### Tournament Format

The tournament format is double elimination. Please note; double headers may be played in the event of inclement weather or field conditions.

### Rules

All official Little League Tournament Baseball rules will apply and will be strictly enforced. The Little League Rulebook App is available for free to download.

### Concessions

The concession stand will be open each day with snacks and refreshments available for purchase via cash or via Venmo. No credit cards accepted.

### Determining Home Team

**Arrive 60 minutes prior to the start of your posted game.**

Little League Tournament Baseball rules require that the home team be determined by a coin toss prior to each game. The Tournament Director or Head Umpire will be responsible for the coin toss to be attended by each Manager.

### Pre-game Warm Up

We have four batting cages to use for pre-game batting practice. Batting cage locations are marked on the park map included in this packet. Each team will also be given 10 minutes of infield practice before their scheduled game.

## General Information

### Lineups:

Your lineup must be completed and turned into the tournament director **no later than 30 minutes prior to the scheduled start of your game** (even if the game before yours is running late). The lineup must legibly include each player's name, uniform number and starting position. The lineup must also include the names of the Manager and all assistant coaches.

### Player introductions and National Anthem

10 minutes before game time the PA announcer will introduce players and coaches. Players and coaches will assemble on their respective baseline as they are announced and remain on the line for the National Anthem.

Following the National Anthem, Managers will immediately meet with the umpires at home plate for the pregame conference, after which the game will begin.

## General Information

### Tournament Umpires:

Please remember the umpires are volunteers. They are graciously donating their time and efforts for your teams. As such we insist that players, coaches and fans always show sportsmanship and fair play.

### Equipment:

Each team should bring only Little League approved equipment. Please reference Little League rules regarding equipment and ensure your team's compliance.

Managers are responsible to check each player's equipment prior to the start of every game to ensure all equipment complies with Little League rules. Only certified USA Baseball bats are permitted.
