

*“...they shall be called trees of righteousness, a planting of Yahuah, be adorned.”*

Trees are known by the fruit they bare, and we are to be adorned with attributes that reflect our Father, Yahuah. A good tree cannot bear bad fruit, and an apple tree cannot bring forth pears. Righteous trees will bring forth righteous fruit and the root of a righteous tree is LOVE. The world’s definition of love is having affection for someone or something. However, Yahuah has made it very plain that love is an action word not a feeling. When we love Yahuah we will obey His word. Dabarym (Deuteronomy) 6:5, 6 & 24. The foundation of any relationship is love, and our obedience to Yahuah solidifies our relationship with Him. When we love others it is manifested by the things we do. It is shown as we encourage, support and pray for one another. This display of love will build relationships that will last a lifetime. The Most High has continued to show His loving-commitment to the promises He made to His people and to humanity. Let us show Yahuah and one another our love as we commit to become trees of righteousness.

*“So then, by their fruits you shall know them.”*
