

## Task List

This is a task list to build time management and organization skills. Sit down with your child and discuss chores and/or schoolwork assignments. Give verbal praise when the task has been completed.

Child's Name \_\_\_\_\_ Date(s) \_\_\_\_\_

| <b>Date assigned</b> | <b>Task to be completed – Be specific</b> | <b>Date completed</b> |
|----------------------|---|-----------------------|
|                      |   |                       |
|                      |   |                       |
|                      |   |                       |
|                      |   |                       |
|                      |   |                       |
|                      |   |                       |
|                      |   |                       |
|                      |   |                       |
|                      |   |                       |
