

Thank you for taking a moment to consider this request. We are seeking businesses and individuals who want to show support for a wellness and peace event happening at Ninigret State Park in Charlestown, RI on Sunday, September 27, 2026 from 11am - 5pm.

Intention Fest is a free annual event open to the public that informs and inspires people to live a life of wellness and peace. Festival attendees will engage with over 50 healing artists and peacemakers, meditation, gongs, yoga, tai chi, drumming, live acoustic music and healthy food. 2026 will be Intention Fest's fourth year!

Community members may show their support for Intention Fest at a sliding scale from \$100 - \$500 in exchange for media coverage on Intention Fest social media pages (Facebook and Instagram) and the Intention Fest website. <https://intentionfest.info/sponsors>

*Please email your business logo to [IntentionPeaceNow@gmail.com](mailto:IntentionPeaceNow@gmail.com) if you are interested in becoming a sponsor.*

### **Top Tier Sponsor Opportunities**

For more publicity at the event, there are three significant opportunities to become a Top Tier sponsor associated with a specific activity/location (see attached map):

1. Drumming Tent
2. Live Acoustic Music & Presentation Stage
3. Gong Meditation Beach Pavilion

The Top Tier Sponsor can display their banner exclusively at the activity's location, have their booth nearby (optional), and have their logo (1 of 3 top tier sponsors) on the front page of a printed (and digital) program, in addition to the media coverage available to the other sliding scale sponsors.

To become a Top Tier Sponsor, we are requesting the amount needed to cover the costs associated with the activity/location:

• **Drumming Tent - \$1,500**

The Drumming Tent is a very popular activity at Intention Fest. We have over 50 drums and percussion instruments available for attendees to play and some attendees bring their own. Many people come to the Drumming Tent just to experience hearing or dancing to the rhythms. There are two drumming sessions during the event (1:30 and 3:30)

We need a sponsor to cover the related expenses: tent rental, chairs, drums and facilitators. *Sponsor can exclusively display company banner at the Drumming Tent*, in addition to the digital media publicity and top spot in the written program with map.

• **Live Acoustic Music & Presentation Stage - \$1,000**

The Live Acoustic Music & Presentation Stage brings music fans to the event who may end up spending most of the day listening and dancing to the music. Other attendees may drop in for a fun break while enjoying some food at the nearby picnic tables. The Stage also offers interesting presentations about wellness and peace.

We need a sponsor to cover the related expenses: PA and sound professional, musicians and pavilion rental (for electricity). *Sponsor can exclusively display company banner at the Live Music Stage*, in addition to the digital media publicity and front page spot in the written program with map. - \$1,000.

• **Gong Meditation Beach Pavilion - \$750**

The Gong Meditation is a unique and magical experience. Attendees can sit in a chair or lay in the grass to feel the vibrations from the various gongs and singing bowls. Move stuck energy in the body, relax or be entertained by the performance.

We need a sponsor to cover the related expenses: Gongs and performers, chairs and pavilion rental. *Sponsor can exclusively display company banner at the Beach Pavilion where the Gong Meditations take place*, in addition to the digital media publicity and front page spot in the written program with map. - \$750

***Thank you for considering this opportunity to support wellness & peace!***

***Please email your business logo to [IntentionPeaceNow@gmail.com](mailto:IntentionPeaceNow@gmail.com) if you are interested in becoming a sponsor.***
