

Thank you for taking a moment to consider this request. We are seeking businesses and individuals who want to show support for a wellness and peace event happening at Ninigret State Park in Charlestown, RI on Sunday, September 27, 2026 from 11am - 5pm.

Intention Fest is a free annual event open to the public that informs and inspires people to live a life of wellness and peace. Festival attendees will engage with over 50 healing artists and peacemakers, meditation, gongs, yoga, tai chi, drumming, live acoustic music and healthy food. 2026 will be Intention Fest's fourth year!

Community members may support Intention Fest at a sliding scale from \$100 - \$500 in exchange for media coverage on Intention Fest social media pages (Facebook and instagram) and the Intention Fest website.

<https://intentionfest.info/sponsors>

For more publicity at the event, there are three significant opportunities to be an exclusive sponsor associated with a specific activity/location (see attached map):

1. Drum Circle Tent
2. Live Acoustic Music & Presentation Stage
3. Gong Meditation Pavilion

The Top Tier Sponsor can display their banner exclusively at the activity's location, have their booth nearby (optional), and have their logo (1 of 3 top tier sponsors) on the front page of a printed (and digital) program, in addition to the media coverage available to the other supporters of Intention Fest.

To become a Top Tier Sponsor, we are requesting the amount needed to cover the costs associated with the activity/location:

- Drum Circle Tent @\$1,500
- Live Acoustic Music & Presentation Stage @ \$1,000
- Gong Meditation Pavilion @ \$750

***Thank you for considering this opportunity to support wellness and peace!***
