Overview:

This document is a compilation of Harris-Walz resources assembled by the political team to support you, our trusted partners, in disseminating information, driving calls to action, and boosting your involvement in the Harris-Walz campaign. Below, you'll find organizing resources, coalition sign-ups, phone bank details, volunteer opportunities, policy fact sheets, and more.

Vice President Harris and Governor Tim Walz remain the clear underdogs in this race. In 2020, this election came down to about 45,000 votes across three battleground states, and we fully anticipate margins to be similarly razor-thin this time. That's why the Harris-Walz campaign is building on-the-ground infrastructure to win a close, margin-of-error race in the states that will decide this election – with 312 coordinated campaign offices and over 2,000 coordinated campaign staff across the battleground states.

Messaging Topline:

Vice President Harris and Governor Walz are fighting for a New Way Forward that protects our fundamental freedoms, strengthens our democracy, and ensures every person has the opportunity to not just get by, but to get ahead. As a prosecutor, Attorney General, Senator, and now Vice President of the United States, Kamala Harris always stood up for the people against predators, scammers, and powerful interests. She promises to be a president for all Americans, a president who unites us around our highest aspirations, and a president who always fights for the American people. From the courthouse to the White House, that has been her life's work.

Trainings and Events:

Harris for President and the DNC are excited to offer daily trainings, phone banks, and events to engage and mobilize volunteers and supporters. Below, you'll find details and links to all upcoming training sessions, as well as language to share with your networks. Join us in making a difference!
