**MOTIVATION FOR TAKING PART IN EVS:**

WHAT IS THE MAIN REASON FOR GOING ABROAD? WHY WITH THE EUROPEAN VOLUNTARY SERVICE ?

From what I have searched and read I learned that EVS is one of the best ways to meet other people and learn about other cultures. I am interested in EVS because I would like to experience different cultures and learn more about them.

WHAT DO YOU THINK YOU CAN ACHIEVE DURING YOUR EXPERIENCE ABROAD ?

I will improve my communication skills with other people and I can improve my language skill as well. I can learn to be more independent and decide more independently. I will feel more comfortably because I will contribute to a society very far away from mine.

KNOWLEDGE AND SKILLS THAT YOU THINK YOU CAN SHARE DURING EVS

I will teach other people about my culture and language. I can teach them painting, swimming, playing soccer, cooking and cleaning.

PLEASE DESCRIBE THE MOST POSITIVE AND THE MOST NEGATIVE ASPECTS OF YOUR PERSONALITY

I am very easy-going person, I have a good communication skills, very friendly, always smiling and I am a bit emotional sometimes.

WHICH PROBLEMS DO YOU THINK YOU WILL ENCOUNTER ABROAD, LIVING IN A DIFFERENT CULTURE WITH A DIFFERENT SET OF VALUES ?

I don't think I will encounter any major problem abroad because I am an easy-going guy who can get along with other people with different personalities and different set of values. I may encounter small problems while I am there but I know I can overcome them easily.
