

Forward March, Inc. has Created Your comprehensive guide to **recruiting, interviewing, hiring, and retaining veteran employees.**

Professionalism - Commitment - Service - Values

MILITARY TALENT HIRING GUIDE

Bringing the Value of a Veteran to Your Workforce:

Today's businesses recognize the value of having veteran employees in their workforce. Finding, attracting, hiring, and retaining veterans is a skill that companies looking for the highest caliber employees simply must have. FMI has created a Military Talent Hiring Guide that teaches companies the basics of just how to do this. Contact FMI today to get your copy of our Military Talent Hiring Guide.

- Learn how to find and attract military talent to your business
- Discover the methods and benefits to hiring veterans
- Learn how to approach all branches of military service
- Learn how to translate rank, pay-scale, and military job skills

Let us help you with your military talent. Contact us today!
