QUALITY POLICY

NDT Plus Pty Ltd provides quality testing, inspection and consultation services to a variety of industries throughout Australia through the use of extensive knowledge and experience, and implementation of efficient, effective and appropriate Non Destructive techniques in accordance with the relevant and applicable Standards and Specifications.

This is facilitated through years of experience and dedication to industry in the field of Inspection and Non Destructive Testing.

It is the policy of NDT Plus to provide unparalleled customer service with the aim of identifying client and principal requirements in order to provide the best advice and services to ensure quality and compliance.

All NDT Plus personnel are responsible for Quality Control and Assurance through the Quality Management System, whilst continuously seeking improvement by constant review, with clients encouraged to contribute through the use of feedback and our quality system tools. The Company is committed to achieving customer satisfaction by the use of quality procedures which will be followed in the aim to meet or exceed the requirements of ISO 17020 and ISO 17025.
