### **Appointment of 2021 Committee**

It's that time of year again when footy is over with but we ask for you to think about contributing to our club for next season! Please come along and get involved with the running of our club either at an executive level or on the general committee.

All members of current and past committees started with no experience except for a love of the game, the desire to assist their children participate in football at OJFC and to support the local community. All committee positions of the club are on a voluntary basis. If you have ideas and suggestions on how the club can provide the best possible environment for junior football then now is time for you to step forward.

It is the expectation that people nominating for general committee positions will take lead responsibility for one area of the running of the club, Refer clubs website (link below) for position roles and responsibilities.

If you cannot attend but would like to have your say you can also appoint a proxy for the purposes of voting at the meeting, please email Lyndon Loader, [vicepresident@ormondjfc.com.au](mailto:vicepresident@ormondjfc.com.au) to ask about this process or refer to club website for forms (link below). For all enquiries including agenda, proxy voting form and committee nomination form please contact 2020 OJFC Vice President Administration (Acting Secretary) Lyndon Loader or refer to the club website (link below).

Looking forward to many interested members attending and also new people joining the committee for a successful 2020 season.
