

GYM INT.

1

At the front desk of the gym, Sam is at the computer working. A Gym goer is preoccupied with getting the courage to talk to a gym goer near by. On the desk are 3 beautifully displayed perfume/cologne bottles, which catch the gym goer's attention as he reads the bottles.

GYM GOER

"Inspire. Courage. Focus." What are these bottles?

SAM

They're Gym Perfumes.

GYM GOER

Man, I could use some courage to talk to Lydia.

Sam still looking at the computer.

SAM

Feel free.

GYM GOER

Do they really work?

The Gym Goer is nervously pacing back and forth.

GYM GOER

It's worth a try, right? Courage it is
(takes a deep breath) Here goes.

The Gym goer takes a spritz, feels confident, then.. confidently walks over to Lydia

GYM GOER

Ehem. Success doesn't just find you,
you have to go out and get it.

The woman looks delightedly confused. The Gym Goer is surprised at himself, and scurries back to the front counter.

He picks up the bottle he used and realizes it's the Inspire, not the courage.

GYM GOER

DANGIT!

Sam Subtly rolls his eyes.

As the Gym Goer turns around Lydia is walking by.

LYDIA
You smell nice.

GYM GOER
The harder you work for something, the
greater you'll...

As he's talking, Sam reaches onto the desk without taking his
eyes off her computer, grabs the bottle marked "Courage" and
spritzes onto the gym goer mid-sentence

GYM GOER
....would you like to go out sometime?

LYDIA
I'd like that.

SAM
You're welcome.

(BEAT)

LYDIA
The Greater you'll what?

GYM GOER
What?

END
