INFRASTRUCTURE SERVICES

OUR CAPABILITIES INCLUDE:

- End-to-end construction of residential buildings, villas, and apartments
- Corporate office interiors and civil works
- Commercial complexes, malls, showrooms & retail fit-outs
- Site development and land grading for building construction
- Foundation, RCC works, blockwork & finishing
- External development: paving, compound walls, landscaping
- Drainage, stormwater & rainwater discharge systems
- Construction of boundary walls, guard rooms, and entry gates
- Fire escape staircases, ramps, and access infrastructure
- Internal roads and parking infrastructure for residential/commercial premises

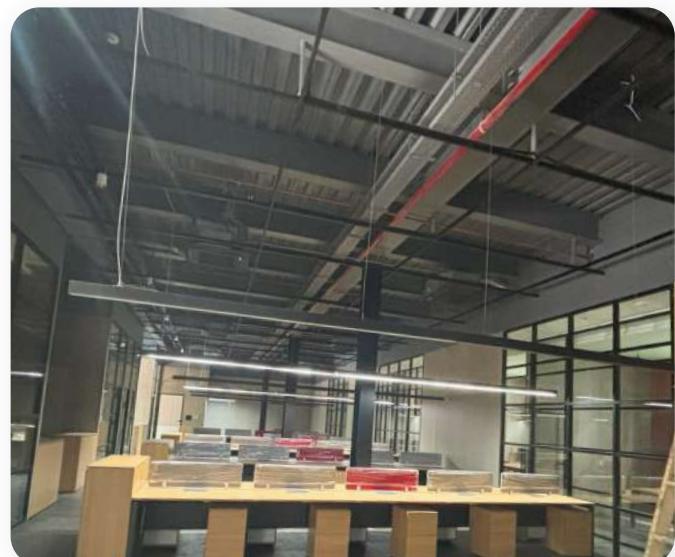

EXECUTION STRENGTHS:

- Turnkey project delivery from concept to handover
- In-house architectural, civil, and MEP coordination
- Skilled workforce and advanced construction techniques
- Strict adherence to safety norms and quality benchmarks
- Timely handover with structured progress tracking

ELECTRICAL SERVICES

OUR CAPABILITIES INCLUDE:

- HT & LT panel installation and commissioning
- Power distribution and cabling (HT/LT/ELV)
- Substation erection (up to 33kV/66kV)
- Internal and external electrification for large campuses
- Street lighting and area illumination
- UPS, DG synchronization & power backup systems
- Energy audits and power factor improvement solutions
- BMS, fire alarm, PA, access control & surveillance integration

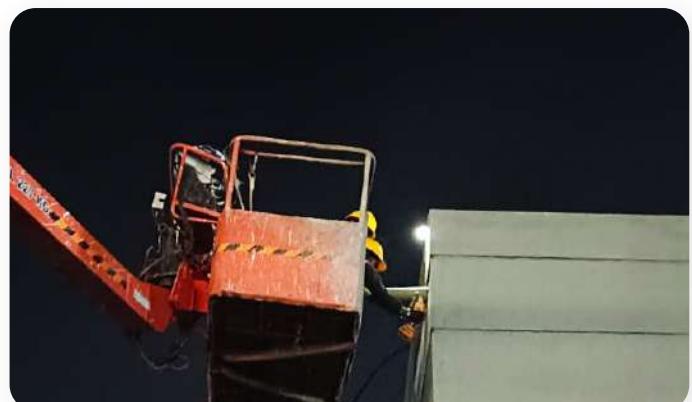

EXECUTION STRENGTHS:

- Industrial Plants & Warehouses
- Commercial Buildings & Data Centers
- Residential Townships
- Infrastructure Utilities (Airports, Metro, Rail)

PLUMBING & PHE SERVICES

OUR CAPABILITIES INCLUDE:

- Internal & external water supply systems
- Drainage and sewerage networks
- Overhead/underground tanks and pump rooms
- Rainwater harvesting systems
- Water treatment and effluent treatment plants (WTP/ETP)
- Firefighting piping and hydrant system installations
- Solar hot water systems & pressure boosting systems

COMPLIANCE & STANDARDS

- NBC, CPHEO, and local municipal norms
- Green building plumbing practices

FABRICATION SERVICES

OUR CAPABILITIES INCLUDE:

- Structural steel fabrication and erection (PEB, industrial sheds)
- Pipe racks, equipment supports, platforms & walkways
- Custom panels, GI/SS ducting, exhaust & ventilation systems
- Skids, frames, staircases, guard rails
- MS/SS process piping fabrication
- Welding: TIG, MIG, Arc—QA/QC certified personnel

FACILITY STRENGTHS:

- CNC cutting, shearing & bending machines
- In-house blasting, painting & galvanizing
- On-site & workshop-based fabrication
- ISO 9001:2015 / AWS-D1.1 certified practices

SERVING YOU ACROSS STRATEGIC LOCATIONS NATIONWIDE

WE ARE LOCATED ACROSS INDIA IN MAHARASHTRA (PUNE, MUMBAI), GUJARAT (AHMEDABAD), KARNATAKA (BENGALURU), TAMIL NADU (CHENNAI), LUCKNOW (LUCKNOW), TELANGANA (HYDERABAD), WEST BENGAL (KOLKATA), DELHI, AND BIHAR (PATNA), ENSURING WIDESPREAD REACH AND ACCESSIBILITY.

REPAIR AND MAINTENANCE

Gowisdom Solutions Private Limited

At Gowisdom Solutions Pvt. Ltd., we help our clients extract maximum value from their assets through reliable, high-quality repair and maintenance services. We understand that every facility is unique—built for different purposes, operated under different conditions, and managed in different ways. That is why we tailor our services to meet the specific needs of each client, ensuring seamless operations and peak efficiency at all times.

We maintain the resources, manpower, and technical expertise required to respond quickly to any maintenance demand. For any facility, a robust, ongoing repair and maintenance program is essential—and that is exactly what we deliver. Our highly trained repair and maintenance teams are equipped to reduce downtime and enhance the life cycle of your assets. By providing both planned and reactive maintenance, our experts take full responsibility for all critical aspects of your facility, offering 24×7 support to keep your business running without disruption.

From commercial buildings to property estates and industrial plants, we cover a wide spectrum of maintenance needs. Whether it is HVAC systems, lifts, process equipment, fire systems, floors, lighting, grounds maintenance, building hygiene, internal and external refurbishment, or any other essential facility component—Gowisdom Solutions provides reliable, preventive, and corrective maintenance services to ensure maximum operational efficiency

**Service delivery on single site as well
as multiple site locations**

**Highly skilled, competent and
dedicated teams for service delivery,
covering a variety of trades including
engineers, maintenance technicians,
painters and decorators, electricians,
plumber, hardware specialists and
carpenters**

UNDERSTANDING REPAIR AND MAINTENANCE

“Repair and maintenance” refers to the actions taken to keep an asset in good working condition or to fix it when it is not functioning properly. This term applies to a wide range of items including machinery, equipment, vehicles, buildings, and much more.

Below are some general tips and best practices for effective repair and maintenance:

1. Regular Inspections

- Conduct regular inspections to identify potential issues before they turn into major problems.
- Create a detailed checklist of components to inspect and perform routine checks consistently.

2. Scheduled Maintenance

- Develop a maintenance schedule based on the manufacturer’s recommendations or industry standards.
- Perform routine tasks such as changing oil, replacing filters, tightening connections, and lubricating moving parts.

3. Safety Checks

- Prioritize safety checks to ensure equipment and systems are operating safely.
- Regularly inspect safety features, alarms, and emergency shutdown mechanisms.

4. Prompt Repairs

- Address issues immediately to prevent them from escalating into serious failures.
- Implement an efficient system for reporting, tracking, and responding to maintenance requests quickly.

Why It Matters

The specifics of repair and maintenance vary depending on the type of equipment or system, but following manufacturer guidelines and industry best practices is essential. Regular and proactive maintenance helps:

- Extend the life of equipment
- Reduce unexpected breakdowns
- Improve operational efficiency
- Ensure safety and reliability

ENGINEERING SOLUTIONS

At **GoWisdom**, our Engineering Services team brings a strong legacy of excellence, working collaboratively to meet the diverse and evolving needs of our clients. Our capabilities span across civil, electrical, data, and building services, supported by specialized engineering expertise and end-to-end technical solutions.

With our diagnostic development approach, we gain a deep understanding of client requirements and deliver exceptional value through timely, cost-efficient, and high-quality project execution—powered by our robust and accredited processes.

Customer satisfaction is at the core of everything we do. This commitment drives us to deliver innovative, value-engineered solutions while consistently maintaining superior standards in service quality, civil works, and cost management.

What We Do

GOWISDOM SOLUTIONS PRIVATE LIMITED is a trusted general contractor specializing in a wide range of renovation and construction projects. Our work spans residential, commercial, and industrial sectors, and regardless of project size, every client receives the same level of commitment, quality, and professionalism.

We continuously strive to advance the construction industry through ongoing research, innovation, and the use of modern technologies. At GOWISDOM, you will experience craftsmanship, dedication, and technical excellence that redefine construction standards.

We are a fully documented and reliable contractor. We provide project estimates along with referrals to ensure transparency and confidence before starting any work.

Customer First

We believe in action over words. By prioritizing our customers, we build trust and align our efforts with their goals. When we collaborate with an organization, we become an extension of their team—adopting their environment, connecting with their people, and making their vision our mission.

Employee Focused

Our employees are our greatest assets. We nurture their well-being, growth, and aspirations because an organization is more than a group of individuals—it is a family. We foster a supportive, motivated, and growth-driven culture where every employee feels valued, inspired, and empowered.

Integrity

Integrity forms the foundation of sustainable success. We uphold strong moral principles and maintain transparency in all our operations, earning unwavering trust from clients and partners.

Service Excellence

Service excellence is not merely resolving issues—it is delivering full cooperation, prompt action, and informed decision-making that ensures consistent, superior results. We are committed to elevating the customer experience at every stage.

 **Empowerment**

An organization thrives on the strength of its people. We encourage initiative, provide opportunities for growth, and empower individuals to achieve their full potential. We inspire accountability, confidence, and the courage to make the right decisions.

 **Leadership**

We lead by example. Our leadership team—comprising founders, directors, and key decision-makers—demonstrates proactive thinking and strategic clarity. They cultivate an environment where leadership qualities are recognized, developed, and celebrated at every level.

 **Health, Safety & Environment**

The health and safety of our employees are non-negotiable. We follow robust policies, strict standards, and continuous quality checks to minimize risks and ensure a safe and healthy workplace. Protecting our people is not just a priority—it is our responsibility.

GOWISDOM SOLUTIONS PRIVATE LIMITED

Overview

GOWISDOM SOLUTIONS PRIVATE LIMITED is a general contracting company specializing in residential, commercial, and industrial renovation and construction projects. Regardless of project size, we deliver consistent quality, professionalism, and customer-focused service. Our approach integrates craftsmanship, dedication, and modern civil engineering techniques to elevate industry standards.

Our Journey

Founded in 2017 by Mr. Kunal, GOWISDOM was established with a vision to combine engineering expertise, innovative design, and professional management to positively impact communities across India. Our mission is to support structural and social development by strengthening infrastructure and creating meaningful community spaces.

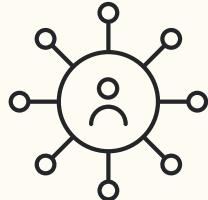

Our Promise

We aim to build long-lasting relationships with clients and partners by delivering efficient services, ensuring transparency, and earning trust through consistent performance.

Industry Strength

With years of growth and hands-on industry experience, GOWISDOM has set benchmarks across the civil services sector. Today, we are equipped to deliver integrated, state-of-the-art, sustainable solutions across India, earning recognition as one of the leading civil and facility service providers.

Solutions for Every

Requirement

At GOWISDOM, we understand that every client and project is unique. We deliver flexible, customized, and future-ready solutions across a wide range of sectors—ensuring comprehensive results for all your construction and renovation needs.

Certifications & Accreditations

At GOWISDOM, we are committed to maintaining the highest standards of quality, credibility, and operational excellence. Our certifications reflect our dedication to delivering trustworthy and professional services across all sectors we operate in.

Government-approved License Holder

We are a Government-approved License Holder, ensuring full regulatory compliance. Our team holds all required official licenses for civil, electrical, and fabrication work. We guarantee smooth operations so clients face no issues now or in the future.

Registered Trademark

Legally recognized brand identity, reinforcing authenticity and brand protection.

ISO Certification – International Organization for Standardization

Certified for quality management systems, ensuring standardized and efficient operations across all project executions.

UDYAM Registration (MSME – Government of India)

Recognized under the Micro, Small & Medium Enterprises Development Act, enabling us to contribute to national infrastructure development with agility and scale.

WISDOM - COMPANY JOURNEY & HISTORY

2004

2004 – Mr. Kunal began his entrepreneurial journey at the age of 13 by opening a small grocery store. Living in a government colony, he noticed that elderly residents had to walk 1 km every night to buy bidis. Recognizing a need within the community, he decided to set up a grocery shop right in the colony, marking the humble beginning of his business career

2011 and 2016

During this period, he completed his engineering studies and gained valuable professional experience across several Indian states including Gujarat, Uttarakhand, Rajasthan, and Maharashtra.

2017

While assisting his brother's electrical and xerox shop in Pune, a customer arrived seeking urgent fan repair. Understanding the situation, he quickly arranged for an electrician friend to fix the issue. This incident emphasized the importance of timely customer service and played a key role in shaping his vision towards future entrepreneurial ventures

2019

In 2019, the foundation for a documented company was laid. After exploring several ideas and suggestions with friends, the brand name “WISDOM” was finalized. 2020 An office setup named “Friends” was established, bringing together

2020

An office setup named “Wisdom” was established, bringing together experts from different states to expand operations. However, like many businesses worldwide, WISDOM faced financial challenges due to the COVID-19 pandemic.

2021

WISDOM received a major contract for electrical IoT installation across 22 districts in Maharashtra and 6 districts in Gujarat, marking a significant milestone in the company's growth.

2022

Repair and maintenance work for over 60 Dunzo stores began across Pune, Mumbai, and Hyderabad, expanding the company's service portfolio.

2023

WISDOM initiated repair, maintenance, and store setup work for Blinkit in Pune. The operations have now expanded pan-India.

2024

WISDOM is currently associated with Zomato Limited and several construction companies across major cities including Ahmedabad, Bangalore, Chennai, Gurugram, Hyderabad, Kolkata, Pune, Mumbai, Delhi, and Noida. The company continues to partner with many reputed organizations across India.

📌 2025-2030: Vision, Planning & Strategic Opinion for GOWISDOM

Over the past few years, our core focus has been to deliver the best-in-class MEP, Electrical, Fabrication, and Civil services using modern technology and superior execution standards. Our aim has always been to offer solutions that exceed expectations through quality, precision, and reliability.

Looking ahead to **2025-2030**, **GOWISDOM** is committed to expanding its capabilities and becoming a trusted partner for both government and corporate sectors.
