# stall application

Woodstock Memorial Show is a classic country show, held on the first Sunday of September, (Fathers Day) in the small rural village of Woodstock. The Show prides itself on being an authentic country show with wood chopping and the vintage tractor pull being popular events for spectators! Last year we had over 3000 people through the gates, which was record numbers for our country show.

2018 we introduced the 'Market Laneway', to celebrate and showcase our local makers, growers and bakers! Stalls included, art, fruit and vegetables, sourdough bread, jams and preserves, honey, handmade clothing, furniture and wares... due to the success of the laneway we invite you to join us this year, either as a new stall holder, or a much appreciated returning stall holder.
