WELCOME

GN Church is a local church family church based in Leicester, serving the Midlands. We are a community of people who are united in our love for God and our desire to image Jesus. We are an apostolic hub propagating the mission and gospel of Jesus Christ.

We believe in the gospel of Jesus, the finished works and the solution it provides for all aspects of living. We are committed to ensuring that the gospel is accessible and relevant to all.

The key demographics we serve are families, students, those in the marketplace and the needy. We are intentional about raising those who will love, live and lead like Jesus in all walks.

If you are looking for a place to belong, a place to grow, and a place where you can make a difference, we would love to welcome you into our family.
