Grand Knight's Message

Dear Brother Knights,

As I begin my term of worthy Grand Knight of Hudson Council. I would like to give you a brief introduction of who I am.

I am a father of one daughter and a grandfather of one 8 month old boy. Aside from family and my faith, I've had a long professional timeline. I've worked in construction always working my way up and advancing my career. As well as having worked in many hospitality and customer service environments. I've attained a great deal of industry experience, and I believe with that, I've acquired a great deal of practice in dedication and people skills. Which I believe to the best of my abilities, will help in order to start this new journey. With a sense of community and brotherhood.

Coming in to this new role, I would like to thank Grand Knight, Joseph Abramaitis along with his officers for the amazing job they did this last year. With the struggles we all faced with this world pandemic as well as all of the personal struggles it's brought all of us this year in some way or form. We have chosen to never give up and never loose our good faith. As we continue to move with that faith and love to strive for the better for all of us and all around.

I believe if we all work together as a collective we can create something even better than it ever was, with our amazing council together as one we can use this drive to collect ideas, proposals and many different ways to provide for our community. Between fundraisers, activities as well as our continuous efforts to adapt and start new and refreshing ideas. I believe we can take the lessons of the past and create something prosperous for our future.

I thank god for all he has done for all of us, and continue to thank him for everything he has in store for us. May all the angels and saints guide us on our new journey always!

I welcome any ideas, suggestions and propositions in hopes that together as a family we can create the best outcome for our brotherhood here at the Knights of Columbus. I hope to see old faces and new ones at our meetings while we all strive to achieve our common goals in peace as a unit. As I am looking forward to this upcoming Columbian year together, I say thank you for your time and God Bless you all.

CHAPLAIN'S CORNER

Father Patrick J. Keating

Dear Brother Knights,

On July 4, 1776, the citizens of the thirteen colonies declared their independence with these words: *"We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty and the pursuit of Happiness"*. The Knights of Columbus have been promoting the dignity of all human life since our foundation. We donate countless hours helping the most vulnerable, especially the unborn and their mothers. May we all continue to respect human life from conception to natural death. We cannot have liberty or happiness unless we have life.

I pray that you and your families are well. As we prepare to celebrate the founding of our great nation, we remember the call to be patriotic. The Fourth of July is a time to remember that our founding fathers believed that we had rights, because of God. We live in a time, where some in society want to remove God. As members of the Knights of Columbus, we must stand as proud Catholic gentlemen, defending our nation, and more importantly, defending our Catholic faith and our Church.

Lastly, summer is a time for rest and relaxation, a time for families and friends. As we prepare for a new year in the life of our Order and our Council, we thank those who in a special way make Hudson Council 3701 great, especially our officers and the many volunteers. I encourage you, if you can, to get a little more involved in our council. May the example of Blessed Michael McGivney continue to guide the work of our council. Please know that you and your family are in my daily prayers.

In Christ,

Father Patrick J. Keating
