September 2026

Grand Knight's Message

Dear Brother Knights, Family and Friends,

I hope that all of you had a wonderful summer. As we begin the month of September, we look forward to the Fall Season, and the cooler weather ahead. I encourage each of us to continue living out the principles of Charity, Unity, Fraternity, and Patriotism through our actions and service to others.

September also brings a solemn day of remembrance. Let us never forget September 11, 2001. We remember the innocent lives lost, the families forever changed, and the brave first responders and ordinary citizens who demonstrated extraordinary courage and sacrifice. Let us keep them, and all those who continue to be affected by that day, in our prayers.

As Knights, may we honor their memory not only by remembering, but by serving our families, our parish, our community, and our country with the same spirit of faith, courage, and selflessness.

May God bless our Council, our families, and the United States of America.

Fraternally yours,

**Gilbert Gonzalez,
Grand Knight**

CHAPLAIN'S CORNER

Father Patrick J. Keating

Dear Brother Knights,

I hope that you had an opportunity to relax this summer with family and friends. Summer is almost over, but we still have a chance for a few more days. Each September school begins, and the life of our council also becomes a little busier. I encourage you, if you can, to get a little more involved in our council this year.

This month we will solemnly remember the tragic events of 25 years ago, when our City and our Nation suffered the devastating acts of terrorist. We continue to pray for those who lost their lives, and all those affected by that day. May we never forget. We also saw the bravery and dedication of our first responders and ordinary citizen doing, what they could to help and assist their neighbor in need.

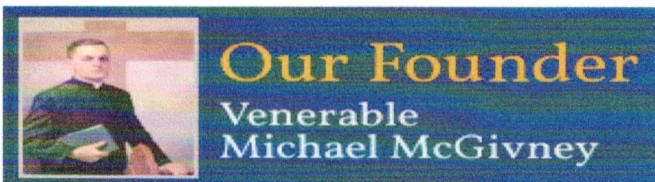

At the end of September, we will witness the beatification of Archbishop Fulton Sheen. Archbishop Sheen was a great communicator of the Catholic faith, and an individual who spoke in the public square regarding common sense and the need for God. May we look to him, to inspire us to continue to live our Catholic faith.

Lastly, I wish to thank all of you for your prayers and support at the passing of my father, William J. Keating. He was a proud member of our council, and very much-loved spending time with his brother knights. On behalf of my mother and brothers, a sincere thank you for your presence and support at this difficult time. May he, and all the souls of the faithful departed, rest in peace.

May the example of Blessed Michael McGivney continue to guide the work of our council. Please know that you and your family are in my daily prayers.

In Christ,

Father Patrick J. Keating

GROUP vs. PERSONAL LIFE INSURANCE

WHAT'S THE DIFFERENCE?

Many Brother Knights receive life insurance through their employer.

That's an excellent benefit— **but they serve different purposes.**

GROUP LIFE INSURANCE

ADVANTAGES

- Often provided at little or no cost to the employee.
- Coverage is easy to obtain, even with some health conditions.
- A valuable employee benefit while you're actively working.

THINGS TO CONSIDER

- Coverage is generally tied to your employment.
- If you change jobs, lose your job, or retire, the coverage may end.
- Some plans allow you to continue the coverage ("portability"), but the premiums are often much higher than what you paid while employed.
- Your employer can change or discontinue the benefit in the future.

PERSONALLY OWNED LIFE INSURANCE

ADVANTAGES

- You own the policy—not your employer.
- Coverage stays with you regardless of where you work.
- Premiums can often be guaranteed for many years, or even for life, depending on the policy.
- Coverage is designed around your family's needs rather than your employee benefits.
- Protection can continue into retirement when employer coverage often ends.

THE BEST STRATEGY

For many families, the answer isn't group or personal life insurance— **it's both.**

Employer-provided coverage is a valuable benefit that should be appreciated. Personally owned life insurance helps ensure that your protection continues through career changes, retirement, and the unexpected events that life sometimes brings.

“ Don't wait to take care of the protection your family depends on. The best time to act is today— not tomorrow. Make the appointment. Give your family peace of mind. ”

HAVE YOU REVIEWED YOUR LIFE INSURANCE RECENTLY?

I'd be happy to help you understand what you have, identify any gaps, and answer your questions— *without any obligation.*
