

RFP 2020-0-11 Legal Services

Question:

I was reviewing the new RFP this morning and preparing Appendix A for submittal and I noticed that the form states it needed to be submitted by 3:00 p.m. on July 27th. However, page 7 of the RFP lists August 5, 2020 as the due date. Is it still possible to submit the form?

Answer:

The date on the Acknowledgement form should have been dated August 5, 2020.
