Academic Support

Academic study at Duke can be complicated, but there are many resources to help navigate your time at Duke.

Office of Undergraduate Education

As a new college student, the Office of Undergraduate Education is where to begin the journey to student success. Whether assisting with exploring majors, expanding learning opportunities, developing life skills or joining study groups, OUE promotes the deeper understanding needed for the critical-thinking, problem-solving and self-reliance.

Visit OUE

Graduate & Professional Students

Graduate and professional students can find ongoing academic support within your schools including resources for underrepresented groups, women and veterans.

Admissions & Financial Aid

Admissions text that includes a message that graduate & professional students would apply through their specific schools

Our Faculty

The support of faculty a central piece of Duke's mission.

Duke's commitment to faculty advancement and interdisciplinary collaboration helps foster innovative work that addresses some of our most critical issues while creating the next generation of entrepreneurs, creative thinkers and societal leaders.
