

SOCIAL MEDIA & MARKETING INTERN OPPORTUNITY

Bubbles R Fun is looking for a social media intern who's passionate about fun, a total self-starter, and ready to help spread the joy and love of bubbles!

This is an unpaid internship for college credit and a great opportunity for anyone wanting to build their social media or marketing skills within a niche market in the events and entertainment industry assisting an incredi-bubble artist, in Michigan, Bubble Bri, based right here in Lansing!

Here's who would be the right candidate:

- **A person who believes in the power of bubbles bringing joy and fun to kids of all ages and wants to make it accessible to more people (super important).**
- **Someone who can create their own Social Media strategy to hit specific engagement goals without much direction.**
- **Someone who's excited to get creative with my bubble content! You'll have the freedom to design graphics, Instagram & Tik Tok Reels/Stories and build meaningful engagement.**
- **Someone who is looking for a portfolio builder opportunity + a chance to gain real life results for their resume!**

This is an unpaid role, yet there are future paid event opportunities.

Most importantly, they'll get hands-on experience and a reference from Bubbles R Fun to help jumpstart their career.

If you know anyone who might be just right for this (or if it sounds like you!), send us a message.

Thanks for helping find the right person!

This opportunity closes 1/31/25.
