24/7 Air Disinfection

Fully automatic Continuous Touch Screen Remote connectivity

The IDUV In-Duct Air Disinfector from Prescient^{*} takes patient protection to the next level by continuously disinfecting HVAC air in healthcare facilities. Installed parallel to the air flow, IDUV offers maximum output, maximum dwell time, maximum disinfection, and minimum pressure drop.

Effective Against:

C diff	Molds
MRSA	Yeasts
VRE	Spores
Viruses	Protozoa

Door interlocks ensure safe operation.

7" Touch Screen displays key functions in real time.

Outputs available for connection to building automation systems.
