

BREAKING THE FOURTH WALL

Two friends before entering a party.

TIFFANY

Do we have to go? I won't know anyone here.

DARLENE

Hell yeah we have to go! We're literally already here! Stop being a little bitch! Plus, you will know someone here. Marrrrrrrk!

TIFFANY

MARK?!? I didn't know he was going to be here!

DARLENE

Yeah, because I didn't tell you. I knew you wouldn't come if you knew your next boyfriend would be here.

TIFFANY

I don't even like him like that.

DARLENE

Lies!

TIFFANY

Ugh, don't make it weird DARLENE.

DARLENE

No, that's your thing. I'm here to get things fuckin' pop, pop, poppin!

DARLENE twerks on TIFFANY while she tries to push her off.

TIFFANY

Let's just get this over with already.

DARLENE

Ayyyee! That's the spirit!

Darlene knocks on the door & CAYLEY answers.

CAYLEY

Hey guys! Bout time you got here!
Let's do shots!

DARLENE

Yasssss! Shots! Shots! Shots!

TIFFANY rolls her eyes then turns toward the audience & voices her inner thoughts while the party goes on without noticing.

TIFFANY

Of course they go straight to partying. I wish it was that easy for me but I get so anxious around new people. I want to drink shots & dance with guys too but I just feel like I'm so awkward and everyone can tell.

TIFFANY looks over at DARLENE dancing on the bar with a guy & CAYLEY, laughing & toasting her with a shot in each hand.

TIFFANY

Look at them. Just living life to the fullest & not caring what anyone thinks. Meanwhile I'll just be in the corner, alone, staring at my phone, pretending like I have someone to text all the while just looking at strangers on Insta having a better time than me.

CAYLEY & DARLENE yell for TIFFANY to come join them.

CAYLEY & DARLENE

Bittttttccccchhhh!

DARLENE

Come on & take this motherfuckin' shot already!

CAYLEY

Seriously! Get off your damn phone & join the party.

TIFFANY

Sorry, sorry, sorry! I was just texting...ummm...someone.

CAYLEY

Ohhhh...was it Marrrrrk? Are you finally gonna get some--

TIFFANY

Shots! Where are those shots?

DARLENE
Yasss bitch! Right herrrrr!

DARLENE sloppily spills liquor on the table as she pours 6 shots in a row then lifts hers up to cheers everyone.

DARLENE
Clink! Clink! Bitches!

TIFFANY takes her shot & nearly vomits.

CAYLEY
And another one!

TIFFANY
Oh God.

DARLENE
Come on girl! We gotta loosen you up.

TIFFANY
How about just a beer?

DARLENE
Ummmm. How about this instead?

DARLENE pulls a joint out of her purse. TIFFANY once again, turns toward the audience as the party goes on behind her.

TIFFANY
This is what I was afraid of. I'm so awkward when I smoke pot but I don't want to look like more of a loser than I already am plus I don't want MARK to think I'm lame when he gets here.

DARLENE
Welll? Are you gonna partake or nah?

TIFFANY turns back & rejoins the party.

TIFFANY
Sure, why not. YOLO, right?

CAYLEY
Ew. What are you, like 40?

DARLENE
(Holding in smoke & passing the joint)
Seriously though? Hehe.

TIFFANY hits the joint awkwardly & immediately starts coughing.

CAYLEY

There ya go! Just like that. Haha

DARLENE

Leave her alone, she's trying.

TIFFANY

More like dying. (coughs more)

CAYLEY's phone buzzes.

CAYLEY

Oh shit, MARK is lost. I'm gonna go meet him. He's not far. DARLENE, do you wanna walk with me?

DARLENE

Sure. TIFFANY, just wait here. We'll be right back with your man.

TIFFANY

Guys! Stop!

TIFFANY turns to the audience as the girls exit.

TIFFANY

Great! Just great! Of course MARK would show up right after I get high. I'm going to be so weird around him. I know I'm being strange now, I feel like everyone here is thinking it. Or I'm just in my head. That's what happens when you're stoned, right? I'm sure that's what's going on. I'll just take some deep breaths & pull my shit together.

TIFFANY breathes in deep breaths, loudly. The people at the party are looking at her strangely.

TIFFANY

Oh shit, were they as loud as they sounded in my head? God, I'll bet everyone thinks I'm so fucking weird. No, no, TIFFANY stop it! You're fine. You're cool & funny & goshdarnit, people like you. Yeah, that's it. When MARK gets here I'm going to be so

smooth he'll have no choice but to fall madly in love with me & we can start our beautiful lives together with beautiful children that we make... sexually. I bet sex with him is amazing. He probably even knows what a G spot is.

DARLENE & CAYLEY come back with MARK & begin chatting with some of the other guests at the party.

TIFFANY

Oh my God, he's here! Just look at him. He's like a god. Like a sex god. I bet his dick is as gorgeous as he is. It probably has dimples just like his face. God, I want to see his dick dimples.

DARLENE & CAYLEY walk over to TIFFANY looking concerned.

DARLENE

Dude, what the fuck are you doing? Everyone said you've just been over here talking to the wall for like 15 minutes about MARK's "dick dimples?"

TIFFANY

WHAT?!? That wasn't out loud!

CAYLEY

Yes, Dude, it was. Kyle even posted it on his Insta story. Look.

TIFFANY

Oh God, kill me now.

MARK walks over.

TIFFANY

Uh, hi MARK. Listen I don't know what you've heard but I'm just a bit high & I don't normally smoke---

MARK

Hey, no. It's all good. So you like my dimples?

MARK's dimples & TIFFANY live happily ever after.
