

THOTS OF LOVE

Mimi Benfield

INT. CONFESSIONAL BOOTHS

Intros of outlandish characters on an MTV style dating/competition reality television show.

HOST

Welcome to "Thots Of Love" where the rules are off the table & the singles aren't messing around...except with each other. Let's meet some of our contestants!

As each contestant appears the host announces their name O.S.

BLAZE

I'm hoping to spark a match with my perfect flame & incinerate the competition. You mess with the blaze then you're bound to get burned. My game is straight fire!

FLUORESCENCE

I'm like an office ceiling because I shine bright & all y'all are beneath me. Don't try to throw any shade my way because I'm here to blind the competition!

TYPHOON

When my whirlwind of a personality starts spiraling you might just get hit by a flying cow! Moo Bitch! Get out the way!

ROGER

Umm...Hi? I'm Roger... I think I'm in the wrong place.

HOST

Okay, contestants, tell us what you're looking for in a significant other.

BLAZE

I've been searching for a partner that can handle all the heat I put out. I like things hot n' steamy and if you're nothing but a wet blanket then I'll have to extinguish you!

FLUORESCENCE

I'm looking for a partner that can handle all this luminosity that glows up from my toes up and doesn't mind me being in the spotlight. Boom! Ya blinded.

TYPHOON

I need someone that can take my breath away & blow my mind. Once you get caught up in my storm you'd better take cover because I'm like a game of Twister: invasive, destructive, & you can't get away.

ROGER

Uhhh...yeah, I'm actually married. I really think there's been some kind of mix up here. I thought this was "House Hunters"--

HOST

Amazing! Sounds like we have a wild bunch of characters for this season on "Thots of Love!" Let's show them where they'll be staying for the next 12 weeks!

ROGER

Wait, what?!? 12 weeks? I have kids, I can't be gone that--

INT. TACKY/RUNDOWN HOUSE

HOST

Contestants! Welcome to your new home in beautiful Tijuana, Mexico! Exciting nightlife, gorgeous beaches, & the murder capital of the world!

FLUORESCENCE

Oh! I love a good beach! I can show off my tan lines!

BLAZE

Yasss! I can't wait to hit the bars & heat up the dancefloor!

ROGER

"Murder capital?!?"

HOST

Let me show you to your bedroom!

TYPHOON

Nice! I call the top bunk!

FLUORESCENCE

I love how open this house is!

ROGER

Wait! So there's only one bedroom for all of us & a wall is missing! There's a family of birds living in here!

HOST

And this is all yours to enjoy for the next 3 months!

TYPHOON

I love it! I already feel like I'm a part of the culture here. Let's get some tequila!

(ALL EXCEPT ROGER)

TEQUILA! TEQUILA! TEQUILA!

Roger pulls out his phone to call his wife. A crew member swipes it and throws it into the street through the missing wall.

HOST

Ah-ah-ah! No phones allowed. There will be absolutely no electronic devices of communication. This way you'll be forced to interact with one another & your potential partners!

ROGER

What if there is an emergency?

TYPHOON

What? Like running out of tequila?

(ALL EXCEPT ROGER)
Tequila! Tequila! Tequila!

ROGER
No! Like murder!

A SCREAM is heard from outside.

BLAZE
Sounds like someone beat us to the party! We'd better catch up!

ROGER
Ummm...no, that sounded like someone being murdered! In fact that is definitely what it was because I can see the body through the missing wall!

INT. CONFSSIONAL BOOTH

FLUORESCENCE
I can already tell Roger is going to be such a drag. He really needs to lighten up.

BLAZE
I think Roger is hot AF. I love a fiery personality on a married man. The fear in his eyes is such a turn on.

TYPHOON
Seriously though! What if we run out of tequila?

EXT. STREETS OF TIJUANA

ROGER
I think we should go back. It seems really dangerous here. All these children have guns.

FLUORESCENCE
Calm down Roger, they're probably just toy guns.

A kid runs by firing a very real gun in the air.

FLUORESCENCE
(slurred) Ohhhh! I love fireworks!

ROGER

We're all gonna die here.

TYPHOON

Well...I know I'm dying for some more
tequila!

They stumble down the street chanting "Tequila."

INT. HOUSE - THE NEXT MORNING

FLUORESCENCE

Ugh, I'm so hungover. I can't remember
anything so last night must have been
awesome!

TYPHOON

Right? And it smells like someone died
in here.

BLAZE

Uh oh...I think someone did die in
here.

They see Roger's body on the floor with the family of birds
pecking at him.

FLUORESCENCE

Uh Oh! His wife is gonna be pissed but
those birdies are so cute!

BLAZE

OMG! Is anyone else craving an
omelette for breakfast?

TYPHOON

Blaze! Are you serious right now!?
...Tequila is what's for breakfast,
duh!

ALL

Tequila! Tequila! Tequila...
