ABOUT US

The Homestead Product Limited is a company engaged in the research, development, sale and service of stainless-steel cutlery and dinnerware. Since 2008, we have established our sales office and showroom in Guangzhou city. Our cutlery factory is one of the largest manufacturers in Jieyang, Guangdong, which covers an area of 14,000 square meters and we have passed the BSCI audit.

Quality is the top priority. Tested by SGS and Intertek, our products highly satisfy our customers.

TO LAST A LIFETIME

TO KEEP YOUR CUTLERY LOOKING ITS BEST

All stainless steel can be cleaned in your dishwasher.
However, by far the kindest way to look after your
cutlery is to wash it by hand. Whichever method you choose,
ensure all cutlery is rinsed as soon as possible
after use, and that you dry all pieces by hand
immediately after washing.
