## Involvement

### Epsilon Theta Chapter of Gamma Phi Beta Sorority

External Social Chair | December 2024 - December 2025

Used my leadership and knowledge of Gamma Phi Beta to plan and execute safe and enjoyable social functions, increase member retention, and promote belonging and inclusion for chapter members and guests.

- Challenge:** Low and inconsistent attendance at external social events and a need to increase the number of events offered each month, while maintaining member interest
- Action:** Strategically programmed and coordinated external social events by evaluating member interests, availability, and logistics; collaborated with outside organizations and managed scheduling, promotion, and execution.
- Result:** Increased the frequency of monthly external events and improved overall member participation and engagement.
