

# Review - digraphs

1. Explain that sometimes two letters can make one sound and this is called a digraph.
2. Go to the segmenting activity for 'ck'.
3. Sound-talk each letters sound as you drag them into the phoneme frame.
4. Explain that the digraph ck makes the same sound as 'c' and 'k' but is spelt with two letters.
5. Teach letter recognition and recall for the digraph ck.
