August 2026

Welcome to another exciting issue of **Guru Magazine!**

As we step into August, we're reminded that there is still plenty of time left in the year to pursue a new goal, explore a fresh idea, or create an additional stream of income. Whether you're looking for a simple side hustle, a flexible remote gig, or an income opportunity with room to grow, sometimes all it takes is discovering the right idea at the right time.

That's what **Guru Magazine** is all about.

Each month, our goal is to connect you with **ideas, opportunities, resources, and information** that can help you think differently about earning extra money. You never know when one small idea may inspire you to take that important first step toward something bigger.

As summer begins winding down, August can be a great month to refocus. Maybe there's an opportunity you've been considering but haven't acted on yet. Maybe you're ready to turn a hobby or skill into extra income. Or perhaps you simply want to discover new ways to supplement what you already earn.

Whatever your goals may be, we encourage you to **keep exploring, keep learning, and keep moving forward.**

We also want to extend a heartfelt **THANK YOU** to the people who make Guru Magazine possible.

To our advertisers: Thank you for choosing Guru Magazine to share your businesses, products, services, programs, and opportunities with our growing community. We truly appreciate your continued support and confidence in our publication.

5.5 Steps To Maximizing Paid Social Media

If there ever was an easy way to lose money, it's by advertising on social media.

Conversely, if there ever was an easy way to make a fortune, it's also by advertising on social media.

That's why before launching your first social media campaign, it might be wise to review the basics of how to get the most out of your social media advertising campaign.

1: Figure out what you want.

Determine your advertising objectives: Do you want to increase reach? Boost traffic? Create awareness? Build a list of interested people? Build a buyer's list? Get them into your sales funnel?

Determine exactly where you want your new prospects to go and exactly what you want them to do.

2: Choose your social media platforms.

If you had all the time and all the money in the world, you could advertise on all the social media platforms. Of course, if you already had all the money, then you wouldn't need to advertise anything to anybody unless it was to brag about your good fortune.

For the rest of us, we need to pick just one or two platforms and then get really, really good at advertising on those platforms.

Find out where your ideal prospects are hanging out. If your advertising can reach them where they already are then you're halfway home to getting your ad seen by your future customers.

3: Define your message.

You know your audience, you know where they hang out and you know what you want them to do. Now decide what you're going to say to influence them to take the action you seek.

Create multiple variations of your message and test to find the one that converts the best.

Note: When talking about conversions, it's not just the percentage of people who click your link that you want to monitor. You also want to keep track of the percentage of those people who take the action you seek, as well as how much those people spend with you over the course of 2 to 6 months.

4: Decide which options you will use on your ads.

All of the social media platforms give you multiple options for how to reach your audience. Initially you'll want to choose the method most likely to engage with your target audience. And later you might want to test other options as well, just in case they out convert your first choice.

5: Set a budget.

It's easier to spend more than you intend to when you start advertising. Instead, set aside a budget for your paid social media marketing. You can always increase it later if the results merit it.

5.5: Leverage organic posts. Take note of the analytics on the content you post to see what's getting the most traction. Do more of what's working. And use this information to improve your paid ads, too.

Take action today! Your future depends on the choices you make right now!

From the Desk of
Greg Bodkins

How to Fill Your Pockets with \$50, \$100 & \$200... over and over again!

Greetings Friend,

What are people really looking for when searching for a home-business? The short answer is... **FREEDOM!** *Freedom* from debt! *Freedom* from a JOB! *Freedom* to purchase what we need or desire! *Freedom* to spend time with our families and loved ones... the list goes on!

Obviously, we consider and get involved in any income-producing venture based on the hope of what it can do for us. Although we see "money" as the big motivator, it's what the money can do for us that give us reason to move our desires to the next level and take action!

Why **ProfitPalsPro**? Well, I could mail you a full page with copies of \$50, \$100 and \$200 deposits... but instead let's talk about the **REALITY** of money-making programs.

-**REALITY**, most \$50 programs have several levels and are too expensive for most people.
...With **ProfitPalsPro** it's only \$50, and with each referral, (except the 2nd) *you* are paid **\$50**.

-**REALITY**, small commissions take forever to break even and start earning you a profit.
...With **ProfitPalsPro** those you sponsor, and your referrals pass up, *you* make **\$50, \$100 or \$200**.

-**REALITY**, most people only sponsor 3-4 others before quitting or joining another program.
...With **ProfitPalsPro** if you sponsor two who sponsor two etc., that's **\$50, \$100 or \$200** over & over! You're not building a downline, you're building paylines.

-**REALITY**, most programs attract more members in the beginning when they're new.
...With **ProfitPalsPro** it's still new and has unlimited income potential.

-**REALITY**...With **ProfitPalsPro** nothing else compares! So now the question is... How soon do *you* want to start filling *your pockets* with **\$50, \$100 or \$200** payments?

It really is as easy as sharing your website... join us today! Watch the short video **NOW!**
www.MyEasy50.com

P. S. Currently the company is qualifying everyone at the **\$50** and **\$100** level who joins at the **\$200** level, saving you money and giving you greater potential earnings.

(Examples of REAL income based on simple math)

EVERY order must be a minimum of **\$75**. (98% of every order is **OVER \$100**)

These figures are based on ONE order per day per month. Regular clients get 1-5 orders per day.

The average order is **\$100 to \$300**. You will see orders up to **\$1000**.

25 clients under you:

1 order a day per client = 25 orders a day x 7 days = **175 orders a week**.

\$150 average order x 175 orders = \$26,250 in sales x 4 weeks = **\$105,000 a month** x 25% your commission

25 clients under =
\$26,250
/month

50 clients under =
\$52,500
/month

75 clients under =
\$78,750
/month

100 clients under =

PROTECT YOUR HEALTH WITH OMEGA+++

OMEGA-3s IN OMEGA+++ LINKED TO HEART HEALTH

Cardiovascular diseases are the leading causes of death in Europe and a higher incidence occurs in women than in men. In the United States, it is the leading cause of death for both African American and white women.² In addition to promoting education and raising awareness, studies are being conducted to see what women can add—or subtract—from their lifestyle and diet to ensure a longer and healthier lifespan.

STATISTICS OF HEART DISEASE

According to the Centers for Disease Control and Prevention, the conditions and choices that can put a person at risk for heart disease include diabetes, overweight/obesity, poor diet, physical inactivity and excessive alcohol use. Symptoms of heart disease include heart attack, arrhythmia, heart failure and stroke.²

- 64 percent of all women who die from heart disease showed no previous symptoms.²
- 1 in 3 women die of heart disease each year, killing one woman about every 80 seconds.³
- 44 million women in the United States are affected by cardiovascular diseases.³
- 90 percent of women have one or more risk factors for heart disease or stroke.³

STUDIES INVOLVING OMEGA-3 INDEX LEVELS

The Omega-3 Index is the result of Dr. William Harris's 30 years of research in fatty acids and cardiovascular disease. The Omega-3 Index is a measure of omega-3 fatty acids, EPA and DHA, in red blood cells, which relates to risk for heart disease. Many studies have shown that people with higher (vs. lower) omega-3 index levels are at a decreased risk for a variety of unhealthy conditions involving the heart, brain, mood disorders and inflammatory conditions. People who consume larger amounts of quality fish oil have shown even healthier lives from large population studies indicating this consumption may support overall health and wellness.

A recent study shows 97.3 percent of middle-aged German women had blood levels below the optimal omega-3 threshold suggested for the most favorable heart health protection.

Raising your omega-3 index and keeping it steady should help reduce your risk of unhealthy conditions. Omega-3 fatty acids are found primarily in fish, especially "oily" fish. The two most important omega-3 fatty acids are EPA and DHA. It should be noted that omega-3 fatty acids from flaxseed oil (alpha-linolenic acid or ALA) will have little to no effect on your omega-3 index. ALA from flaxseed has some other health benefits, however. But ALA

CHARLES AND SHALAINÉ

YOUR PARTNERS IN SUCCESS

(863) 354-8090 | ThinkBigHere.com | Mulberry, FL

Greetings,

If you're serious about getting more money in 2026 then we should talk. We have a simple solution to your financial situation that you'll want to see and learn more about. There's no obligation and you'll be rewarded with an education, more information and possibly your financial freedom.

WHO WE ARE

We are part of a group of professional entrepreneurs who help each other to achieve our own personal financial goals. This group has been in operation for over 25 years and if you're sincere about getting more money in your life, we can help you too. This group trains thousands of people to perpetually leverage a simple, compounding system to get an extra **\$500, \$5,000** and even *more every month*. We do all this working only 10-15 hours a week!

WHAT WE DO

We work part time hours and receive full time cash flow using a *world class plug and play platform* that we're fully committed to personally mentoring you on how to implement. This powerful program is legal, lawful, legitimate and does require some resources to get started. You will have to roll up your sleeves and get to work if you want to receive any money. So, if you can see yourself sending emails, calling people back and being open to teaching others to do the same, you owe it to yourself to see what we're doing at no cost to you.

YOUR NEXT STEPS

We're inviting you to look under the hood and see exactly what we're doing with a detailed explanation from our powerful **7 step video presentation**.

Go to: www.ThinkBigHere.com

This isn't an investment, MLM nor a pyramid and we're not selling or explaining anything! So, if you're motivated to change your financial destiny for the better, please **go to: www.ThinkBigHere.com**

LASTLY

The 7th video in the presentation is a **FAQ** video which should answer most questions that may come up for you. After you've watched all 7 videos in the presentation, we'll be happy to answer any additional questions you may have and share with you my personal experience. We'll let you know everything we're doing right now to receive **five figures a month** with a very simple to reproduce system. We all work as a family and are here to guide you through everything to get this program up and running for yourself. We look forward to hearing from you.

Best regards,

Charles and Shalainé

"The Thundering 100's!"

Receive Cash From The Thundering 100's!
HOW? See Details Below.

There are 2 people listed below, these are your 2 sponsors. These are the two you will send a one time \$100. Once you are a member, your name and address will be added to the list in the 1st position. Your sponsor will move to the 2nd position and number 2 gets removed from the page. You will send out copies of this same letter to get your new members. Each one you sign up earns you \$100. And get this, they will be using this same letter with their name in the 1st position and yours will be in the 2nd position on their flyer, and as they get their members, you will receive another \$100. This could get "HUGE" because your name remains in the 2nd position on their flyer and as long as they mail, you keep receiving \$100, the same as on your flyer, you are always in the 1st position. Of course, as others join you, you are moved to the 2nd position and you would receive from their efforts!

What if you got 10 people and they each got 10 or more. You could be receiving into the thousands and possibly more! What if you got more than 10, as it is unlimited! Plus, you receive from being in the 2nd position on others flyers, this way no work on your part. Now they are working for YOU ... WOW!!

Upon joining, you will receive a new master copy of this page with typesetting complete, instructions on how to continue, a helpful hints guide and a mailing list of 90 names on peel & stick labels (our products) to help you get a quick start. Plus, you will receive a report on "How To Mail To 1,000 With Ease!" This opportunity is for like minded people, who are willing to give a small amount in order to prosper in The Thundering 100's way! So, don't put it off and join us TODAY! You won't regret it! The \$100's can come rolling in like Thunder!

THE FABULOUS FIFTY PLAN

PHASE 1

FULLY MONITORED – 100% CHEAT PROOF – LIMITED TO USA & TERRITORIES

PHASE-1: \$68,200 MAIL OUT UNTIL YOU GET 4 RESPONSES!

PHASE-2: \$682,000 NO MAILING REQUIRED!

FAST PAY...NO LOSERS. THIS PROGRAM ATTRACTS ONLY THE SERIOUS.

**LAUNCHED IN 2017....STILL GOING STRONG!
NOT A GIFTING PROGRAM!**

**WE GUARANTEE THIS PROGRAM WILL BE
HERE FOR THE LONG HAUL!**

ARE YOU TIRED of wasting money on programs that don't pay? ***Then let's unite and work smart!*** All you have to do with **THE FABULOUS FIFTY PLAN** is just mail until you get 4 responses, then sit back and wait on the money. This program works fast because there are only 2 phases and each phase is only 5 levels deep.

HOW IT WORKS: You pay 5 people a commission of \$50 each and a one time fee of \$100 to Mountain Marketing for the Marketing Kit and to monitor the program plus forward all money orders to you. After you receive your marketing kit with camera ready copies of this letter with your name in the number 1 position, make copies and start mailing until you get 4 responses. That's all there is to it! Then just sit back and wait for the money to start pouring in! The program is **100% CHEAT PROOF** – All funds are paid by money orders made out in your name, **no one can cash them but you and no one can join without paying you.** Once you join you will receive full addresses and phone numbers of your sponsor and everyone who joins in your downline as they join. **This is not a gifting program.** You are purchasing a Marketing Kit that will benefit you with any mail order program.

IF YOU ARE SERIOUS about making a lot of money in a short time with very little effort or out of pocket expenses, then this program is for you. You only need 4 responses to start making the kind of money that most people dream of. ***Can you afford not to join this program?***

EXAMPLE WITH ONLY 4 RESPONSES:

PHASE-1: YOU PAY \$50 TO EACH OF YOUR UPLINE. TOTAL \$250 MAIL TILL YOU GET 4 RESPONSES				PHASE-2: YOU PAY \$500 TO EACH OF YOUR UPLINE. TOTAL \$2500 NO MAILING REQUIRED			
1.	4	THEY MAIL TILL THEY GET 4 & ETC.		1.	4		
2.	16	“	“	2.	16		
3.	64	“	“	3.	64		
4.	256	YOU		4.	256	YOU	
5.	1024	RECEIVE		5.	1024	RECEIVE	
TOTAL: 1364 X \$50 EACH = \$68,200				TOTAL: 1364 X \$500 EACH = \$682,000			

This is an example only. You may make more or less depending on your efforts.

PHASE-2 is where the program really kicks in. This is where your downline all start sending you ***\$500 Money Orders.*** We suggest you enter Phase-2 as soon as you've received your first \$4000 (80 members in your downline) in Phase-1. **Your downline will follow you into Phase-2.** They have no choice if they want to receive their \$500 payments. You will have almost ***0% dropouts*** in your downline because they will miss out on a lot of money if they don't follow you into the second Phase. **Remember, no mailing is required in Phase-2, your downline will automatically follow you.**

We're not going to promise you a million dollars or how to get rich quick like a lot of the programs do and then pay little or nothing at all. **We are showing you realistically** how you can make over \$700,000 in a very short time. Let the numbers do the talking, just mail until you sponsor 4 people. You are not limited to just sponsoring 4 either, you may sponsor as many as you like. Take a moment, do some math and see what you could make if you sponsored 6, 8, or even 10 people into the program.

YOU'LL RECEIVE ALL THESE BENEFITS WITH YOUR MARKETING KIT:

- ****All payments*** are mailed to you on a weekly basis.
- ****Camera ready copies*** of this program with your name in the #1 position plus a personalized cover letter.
- ****Three hundred*** fresh names on peel-n-stick labels to get you started.
- ****List*** of proven mailing list companies.
- ****Tips on increasing*** your mailing response rates.
- ****Our mailing address, phone number & email address*** will be included in your Marketing Kit. We will always be here to answer your questions or offer support in any way we can. You will never be alone in this program. Mountain Marketing has no secrets. We manage & monitor our program with the utmost Honesty & Integrity, **GUARANTEED.**

Just remember this friend. You cannot lose with this program if you mail until you receive 4 responses. *Four (4) is all you need*, then just sit back, your downline and the money will follow you. **Don't hesitate, Join now.**

INSTRUCTIONS TO JOIN:
