

HOPPY & HEADY

IPA’s, DIPA’s, Imperial...Our hops are bottomless!

Imperial Lack of Fokus

Hazy Imperial IPA (8.3% ABV) \$8

Our classic flagship IPA dialed up for the party animals. Delightfully juicy with a hoppy finish; a coupe of these are gauranteed to give you double vision.

Touch & Agree

Pale Ale (5.6% ABV) \$8

We feel a solid pale ale has become a lost art. Full of Cascade hops, this beauty drinks fresh and easy

Break or Bury

West Coast Double IPA (8%) \$8

We took our hops and turned them all the way up to 11. This hop bomb features the experiemental AAAHHHHROMA hops to bring out the citrus aroma we all love in this heady take on a West Coast classic.

The Chemicals Between Us

Pineapply Juicy IPA (6.7% ABV) \$7.5

The juice is loose! We packed this super-refreshing IPA with Amarillo and El Dorado hops for that fresh tropical aroma then added 44 pounds of pineapple juice to make the juiciest beer there ever was. Perfect for walking the Beltline and kicking over Bird scooters!

Hydrostatic

American IPA (7.16%) \$6.5

Zoom! Zoom! Zoom! This crushable IPA features Comet hops, which gives this brew a soft, grassy flavor with subtle fruit notes. It’s definitely out of this world!

LAGERS

Anxiety Pils

American Pilsner (6%) \$6.5

Definitely not the pilsner your parents drank. Two a day keeps the anxiety away!

Millions of peaches, peaches for me. Millions of peaches, let me drink three!

SOURS

Policy of Truth

American Sour (5.8%) \$7.5

This gentle sipper was loaded with fresh cherries and lemons. Light & bright with a bite. Come fight me.

Afternoon Delight

ATL Sour (5.5%) \$7

This beauty was stuffed with strawberries, blueberries, and raspberries - oh, my! One sip and you’ll be in love. 60% of the time, it works every time.

DANKEST OF THE DARKNESS

Holy Shenanigans

Dry Irish Stout (5.5%) \$6.5

The king of all Shenanigans. Would spar with Guinness any day. Smooth. Light. Fresh.
