

Hold in your hand a tiny acorn that will someday become a giant oak. Bend down to sniff a wildflower and notice the delicate curl of a single petal. Observe the intricate design of a butterfly's wings as it floats effortlessly in the sky and settles on your finger.

Our amazing God is not only the Creator of all things, but He also cares about His creation, right down to the tiniest detail. And the Bible tells us that people are the most significant part of that creation. God created you and knows every detail about you—right down to the design of your fingerprints and the number of hairs on your head. God cares about everything that happens to you.

Magnified!™ VBS will encourage kids to look closely at the details of God's amazing world and magnify, or proclaim, the greatness of God. God made us, cares about us, loves us, forgives us, and is faithful to keep all His promises to us. We can praise God together!

We were made to magnify God!
