Live, assisted bookkeeping help

For an additional monthly fee, QuickBooks-certified bookkeepers can help you:

- Automate QuickBooks based on your business needs
- Review key business reports
- Categorize transactions and reconcile accounts correctly
- Ensure you stay on track for tax time

Money movement services are provided by Intuit Payments Inc., licensed as a Money Transmitter by the New York State Department of Financial Services.

¹#1 accounting software for small to midsize business based on PCMag, as of December 2021.

²'Four times faster' based on U.S. customers using QuickBooks Online invoice tracking and payment features compared to customers not using these features from August 2022 to July 2023

*Available in QuickBooks Online Plus or Online Advanced only

**Product Features

QuickBooks Live Assisted Bookkeeping: This is a monthly subscription service offering ongoing guidance on how to manage your books that you maintain full ownership and control. When you request a session with a Live Bookkeeper, they can provide guidance on topics including: bookkeeping automation, categorization, financial reports and dashboards, reconciliation, and workflow creation and management. They can also answer specific questions related to your books and your business. Some basic bookkeeping services may not be included and will be determined by your Live Bookkeeper. The Live Bookkeeper will provide help based on the information you provide.

QuickBooks Online and QuickBooks Self-Employed system requirements: QuickBooks Online requires a persistent internet connection (a high-speed connection is recommended) and computer with a supported Internet browser or a mobile phone with a supported operating system and an Internet connection. Network fees may apply.

Receipt capture: Requires QuickBooks Online mobile ("QBM") application. The QuickBooks Online mobile app works with iPhone, iPad, and Android phones and tablets. Devices sold separately; data plan required. Not all features are available on the mobile apps and mobile browser. QuickBooks Online mobile access is included with your QuickBooks Online subscription at no additional cost. Data access is subject to cellular/internet provider network availability and occasional downtime due to system and server maintenance and events beyond your control. Product registration required.

Mileage tracking: Mileage tracking is only available to the master administrator of the QuickBooks Online account. Requires QuickBooks Online mobile ("QBM") application. The QuickBooks Online mobile app works with iPhone, iPad, and Android phones and tablets. Devices sold separately; data plan required. Not all features are available on the mobile apps and mobile browser. QuickBooks Online mobile access is included with your QuickBooks Online subscription at no additional cost. Data access is subject to cellular/internet provider network availability and occasional downtime due to system and server maintenance and events beyond your control. Product registration required.
