

DELIVER MORE VALUE TO YOUR CLIENTS
WITH OUR INTEGRATED SOLUTION

Be the Expert Your Clients Need

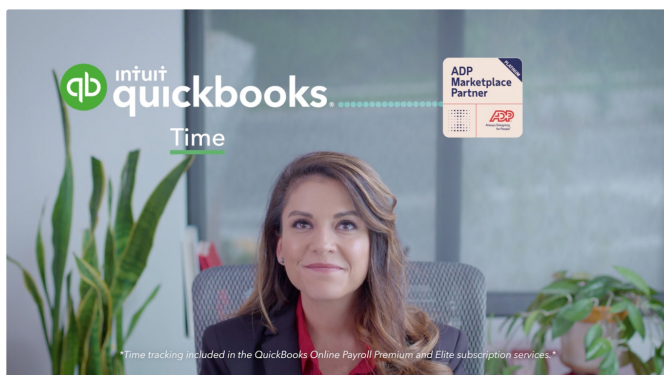

Improve the speed and accuracy of payroll by connecting QuickBooks Time to RUN Powered by ADP®

QuickBooks Time

You're the Expert

You're already a valued business partner to your clients providing news, information and consultative services. Sharing valuable insights at the right time helps position you as a thought leader in your community and shows your clients you are up to date with the latest information and solutions that can improve their business. Help increase your expertise and visibility by delivering this exciting news to your clients that will build trust and improve their business.

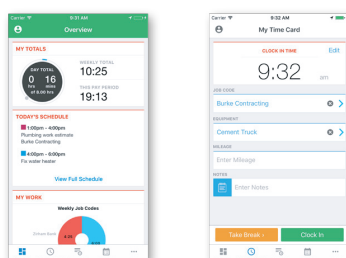

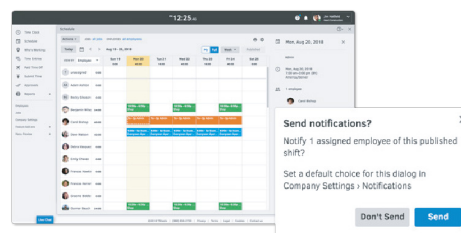

Export Like a Pro

Clients who use QuickBooks Time can save an average of 6% on payroll and increase billable hours by 11%. QuickBooks Time now integrates with RUN powered by ADP® (RUN) making payroll processing fast and easy. After purchasing the QuickBooks Time data connector on ADP Marketplace (apps.adp.com), you simply click the Export to ADP® button once the time from QuickBooks Time is approved. Then, the summary hours flow directly to RUN.

Schedule with Ease

Combined with simple time tracking, online scheduling allows you to create and publish employee schedules and instantly notify employees of important changes. Update schedules from anywhere, using the mobile app.

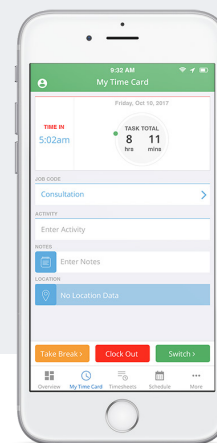

Save 6% on Payroll Costs¹

Switch to a digital time tracking solution, and say goodbye to unnecessary and error-prone manual data entry. QuickBooks Time even syncs with your accounting and payroll software to save you hours and simplify payroll.

Automated, accurate time tracking

Reduce labor costs and save 6% on payroll¹

Introduce your team to QuickBooks Time, a simple, accurate time tracking solution that syncs with your accounting and payroll system.

Features accounting professionals love

Automated Time Tracking

No more time wasted on chasing down paper timesheets. Track, submit, and approve employee timesheets from the web dashboard, mobile app, or Time Clock Kiosk

Mobile Scheduling

More time in your day, more money in your pocket. QuickBooks Time users save, on average, 6% on payroll costs and three hours every time they run payroll.¹

Job Costing

See each project's status at a glance. Project tracking helps you stay within budget, set realistic deadlines, and estimate costs for upcoming jobs.

Billing and Invoicing

Stop underestimating your work. QuickBooks Time users add, on average, 11% more billable time to their invoices, just by charging for every second worked.² Easily create, edit, and send accurate invoices.

Seamless Integration

QuickBooks Time works seamlessly with QuickBooks, Gusto, Sage and other popular accounting solutions. Time tracked in QuickBooks Time syncs with your QuickBooks account automatically.

Real Time Reporting

Track profitability, project costs, payroll costs, and more with powerful reporting by QuickBooks Time. See which clients and tasks you spend the most time on.

"I absolutely love QuickBooks Time," said Katey. "I recommend all of my clients use QuickBooks Time."

- Katey Maddux, CEO of Millennial Accounting
