REFLECTION ***Windows***

Saints are like windows.
Through them the light of God's wisdom streams into the world, banishing the darkness,
and brightening the road for uncertain travellers.

Through them the warmth of God's love radiates through the world,
banishing the coldness,
and warming the hearts
of even the most forlorn of his creatures.

And through them we catch a glimpse
of another world, a world that lies not just beyond the walls of our earthly home,
but even beyond the stars.
