

SYNOD QUESTIONS - CONSULTATION OF THE PEOPLE: On October 10th, 2021 Pope Francis opened the latest synod on the way in which the Catholic Church listens to the Holy Spirit and journeys together as the People of God. In order to allow as much participation as possible, **the Diocese of Corner Brook and Labrador is inviting each Parish Council as well as ALL PARISHIONERS to have a discussion on each of the five subject areas below.** Pass on any comments you have to Parish Council members, to the Office or in the sacristy.

1. **In Luke's account of the two disciples heading to Emmaus (Lk 24: 13-35), the Church is pictured as "companions on the journey", with Christ revealing himself through Word and Sacrament.** How do you see this companionship lived out in our Church today (In your experience of parish, diocese, Universal Church)? How are we called to grow as companions?

2. **Listening is a key component to journeying together.** Who is given a voice and who is not? What helps or prevents us from listening? What space do we provide to listen to others, especially for those who may be on the peripheries?

3. **A Church that journeys together shares together in Christ's mission.** How do we as Church work together and support one another in carrying out the mission of Christ, each in our respective way? What hinders the baptized from being active in Christ's mission? What areas of mission are neglected?

4. **A Church that journeys together participates in the decision making process.** How is authority exercised within our parish/diocese? What enables or hinders people from speaking up? By what procedures and methods do we discern together and make decisions? Do our decision-making methods help us to listen to the whole people of God? How can we grow in communal spiritual discernment?

5. **Now that you have had a discussion on this matter, what is your plan to involve as many people, of all ages in your area, to participate in this same discussion?**

DEVELOPMENT AND PEACE - SHARE LENT: Week 2 - Madagascar: An ecological village to cope with climate change. Development and Peace's People and Planet First campaign celebrates what solidarity can achieve, even against seemingly impossible odds. In Madagascar, for instance, Development and Peace's partner, the Development Council of Andohatapenaka (CDA), empowers people to manage and transform their neighbourhoods. In the capital region, which is afflicted by flooding and poor waste management, CDA has helped the residents of one vulnerable area to turn their environs into a thriving ecological village. Today, each of the 50 households involved in the project has a vegetable garden, a stove and solar panels. This transformation reflects a true ecological conversion. Watch the video at devp.org/lent/act. For more information, contact Patricia Walsh Warren at pwalsh@devp.org.

LENTEN FOLDERS/ENVELOPES: Folders are normally distributed and filled with quarters that would total \$20.00. The Lenten folders are no longer being produced. You will now see Lenten Envelopes on the tables at the back of the church.

VOTIVE CANDLES: Votive candles are available for \$5.00 each.

UKRAINIAN RELIEF: Development and Peace is accepting humanitarian donations for the Ukraine. This is a special appeal. The humanitarian aid will be distributed through Caritas Ukraine, an affiliate of Caritas International. If you wish to support those who are suffering due to the war, you can place your donation in a blank envelope with the words "Help for Ukraine". Any cheques should be made payable to the parish so that the parish can sent the entire amount the Diocese for payment to Development and Peace. Tax receipts will then be issued by the parish. If you want to send your support directly to Development and Peace, you will get a tax receipt from them.
