

May 30, 2021 – Trinity Sunday

"Go, therefore, and make disciples of all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Spirit, teaching them to observe all that I have commanded you. And behold, I am with you always, until the end of the age."
Matthew 28: 16-20

" . . . when God is in it."

A Quaker pastor remembers the insight he learned from a woman who was part of the meeting he once pastored:

"[This] elderly woman had committed herself to works of mercy. As I got to know her better, I was astounded at the many ways in which she had blessed hurting people. Though her income was modest, she lived simply so she could give generously. Though her many commitments kept her calendar full, she still found time to be present for those who needed comfort. The longer I knew her, the more I marveled at her charity, given the scarcity of her resources. Because of her humility, she was reluctant to talk with others about her own accomplishments. But one day she let slip the principle that guided her life, when she said to me, 'Little is much when God is in it.'

"I have thought of that many times since, appreciating its truth more and more as the years pass. Little does become much when love is present. Love does magnify our works. Jesus knew this. He knew even the smallest gesture of love could transform the darkest situation and so fully committed himself to divine love that we are still awed by his life. Believe me when I tell you this: We can be like him, and like all the other God-bearers our world has known . . . We can be like him when we say yes to the Divine Presence that is also in us, as thoroughly as we are able. As we do that, our lives, and the lives of others, will be transformed. God's joy will be in us, and our joy will be full."

[From The Evolution of Faith: How God Is Creating a Better Christianity by Philip Gulley.]

Today's solemnity of the Holy Trinity celebrates the many ways God makes his presence known in our lives, in the manifestations of his love in our lives and our world. This Sunday of the Trinity invites us to look with a new awareness to behold God in our midst: God is the Father and Creator of all life, including our very selves, who fashions every molecule and atom that nurtures and sustains our lives; God is the Son and the Brother, the Redeemer who teaches us the unfathomable love of the God we seek; God is the Spirit of that love that creates and enables us to break out of the isolation that entraps us and become family and community. May this Solemnity of the Trinity reawaken our senses and our consciousness to behold God's love in our lives, making even the "little" into "much" that is holy and sacred.

HUMOUR: After putting their three-year-old child Brian in bed, his parents heard muffled sobs coming from his room. Rushing back in, they found that the child was crying hysterically when he saw them. He told his parents that he had accidentally swallowed a penny and was sure that he would die now. The father, in an attempt to calm him down, took out a penny from his pocket and pretended to pull it out from Brian's ear. The child was thrilled and stopped crying. In a flash, he snatched the penny from his dad's hand, swallowed it, and then cheerfully demanded, "Do it again, Dad!"
