Philanthropy: Love of Humanity. Generosity in all forms. Giving gifts of Time, Talent, and Treasure to help make life better for others.

This is the exact definition of many women who have influenced and inspired my life through their amazing works of philanthropy in and for our community. These women serve and go beyond the normal scope of their work requirements and performance. And because of this they are Absolutely Fabulous and deserve to be honored. I am proud and elated to present "The Fabulous Woman Awards Brunch, Crowning and Honoring Fabulous Women doing Fabulous Things in and for Their Community."

March is National Women's Month which highlights and celebrates Women's Rights, Diversity, Inclusion and Awareness. The Fabulous Woman Awards Brunch is a beautiful expression and befitting way to celebrate our Phenomenal Women. If ever there was a time to celebrate women and all that we have accomplished the time is now. We are celebrating our Fabulous Women of the community; however, this event is for everyone to come out and enjoy this grand event.

The Fabulous Woman Awards Brunch is our annual event that celebrates the fabulous women of our community and help our 501c3 Community Impact Program titled Fabulous Woman. Focused on the importance of Life Skills, Etiquette, Business Skills, Workplace Training and Holistic Therapeutic Education.

The Holistic Life Center serves and benefits youth, adults, families, organizations and businesses of Fort Smith, the River Valley and abroad. We have had much success in the past with a 92% graduation/completion. With over 2500 impacted by our program and efforts leading to workforce development and placement. Together we can and will continue to grow our beautiful community. Remember the grass is not green on the other side. It is green where you/we choose to plant seeds, water, and nurture them and with your help that is exactly what we will do.

There will be a total of 6 - 10 Fabulous Women honored for 2026.

Our 2025 Fabulous Woman Awards Brunch was Absolutely Fabulous in Every Since of the Word! We had 8 Magnificent Honorees, over 100 attendees and Female & Fabulous Business Vendors all gathered in celebration of Fabulous Women. The response was and still is amazing! We are sure to have a fabulous time in 2026 with influential leaders, business owners and members of community as well as the state of Arkansas and Oklahoma in attendance. Your support and generosity will reach far beyond The Fabulous Woman Awards Brunch Fundraiser.

Together We Will impact many through Fabulous Acts of Philanthropy. I am excited about your partnership, and I genuinely appreciate your time and consideration. Please see the following for sponsorship information.
