# WHO IS GOD?

In times such as these, recovering from the pandemic and talk of war lingering, some may ask, "is God real?" but to answer this question you must first answer, "Who is God?" the true "God".

When determining who someone is, you must first identify their name(s). - "Wait, God isn't His name?" - Nope! Actually, the word or term "God" is actually a title. It is the most common way that we, humans, refer to the Creator, God. Let's take a look in the Bible, the book that has been translated from Hebrew and Greek texts, and the only book that acclaims to be fully inspired by God.

But wait - isn't the Bible about Jesus and He is God?" some may say, and they are correct, the Bible is about Jesus too, he is the son of God. For now we are going to focus on Jesus's Fathers name. **In Psalm 83:18 KJV it reads "That men may know that thou, whose name alone is JEHOVAH, art the most high over all the earth"** Do you see that? It says a name, JEHOVAH. Now lets clarify - some translations of the Bible actually replace His name with "LORD" in all caps and the explanation for that is typically found in the first few pages of your Bible, you can also Google it. But in the King James Version, **one** of the first translations of the Bible from the Hebrew and Greek texts to Old English, his name remains in clear view in **Psalm 83:18**. Another place where his name is still in the King James Version is in **Genesis 22:14** where a man named Abraham names a location after God, **Jehovah Jireh**, which means "He will provide". Although a name has been provided, it is still up to you to believe. If you don't believe, then it does not matter what name is given. So get yourself a Bible, if you don't already have one, or download one on your phone and do the research for yourself. Then your in your prayers, simply ask Jehovah to reveal more to you. Shalom

# THE 2ND JOURNEY A WORD FROM

**FOUNDER & EDITOR  
BIANKA GEORGE**

"Hi, my name is Bianca, (Be -yan- kah), thank you for taking the time to read this and support this publication.

In the beginning of my Entrepreneurship journey at the age of 15, I had no idea how often my faith, morals and values would be tested. All aspects of my life were tested. In these pages is a rebirth of a vision that was tested years ago when the last form of this magazine was published. I'm glad that I did not give up and continued working towards improvement and clarity.

After many attempts, small and big wins, I took lessons from each experience and applied it to the next. And what I thought were struggles were actually blessings. I thank Jesus and Jehovah so much for getting me through it all and for the friends and family that are by my side. There were some days that were just unbearable and yet, here I am, a Mother, an entrepreneur, smiling, standing, grateful.

Sometimes in life we are set in place to hold the light that will guide others on their journey or maybe act as a crossing guard, stopping traffic so others may safely cross. Whichever it may be, we are all here to impact the other and should be conscious about how we do that.

When an ad is placed in this publication, it helps a Teen and/or Young adult get closer to discovering their God Blessed talents and skills. Again, thank you for your support and I hope you see somethings that may be of your interest." - Bianca
