LUBBOCK, TEXAS

WELCOME

A place to feel cared for.

Education. Reassurance. Connection. Support.

Motherhood is full of beautiful beginnings, unexpected questions, and seasons of change. Magnolia Maternal Wellness is a welcoming place to pause, find answers, and receive thoughtful support along the way.

From early pregnancy reassurance and meaningful moments with your baby to restorative massage, feeding support, movement, and connection, our services are designed around the woman behind every stage of motherhood.

We complement the care you receive from your OB or midwife. Our services add education, reassurance, and support while you continue your established prenatal and postpartum care.

Care for the beginning

1st Trimester Bridge Care

\$599

Thoughtful care from your positive test until your first OB appointment. Includes three nurse visits throughout your first trimester; a full first-trimester lab panel; early hCG and progesterone checks as often as needed; and two ultrasounds to see your baby, hear the heartbeat, and take home images. A nurse calls to explain every result, and records are sent to your OB or midwife. Findings are reviewed by our board-certified radiologist and Medical Director. Bridge Care complements your ongoing OB or midwifery care by caring for you in the first trimester while you wait.

Pregnancy Confirmation Visit (Labs + Ultrasound + Nurse Visit)

\$329

A reassuring beginning while you wait for your OB or midwife appointment. Includes one complete pregnancy wellness check, two rounds of bloodwork, and a full-service ultrasound with take-home images and the opportunity to hear the heartbeat as early as possible. A nurse calls to review results, and records are sent to your OB or midwife. If you do not have an OB or midwife yet, we will help you get established with someone on our recommendation list. Findings are reviewed by our board-certified radiologist and Medical Director. Best between 6 and 14 weeks.

These services support your OB or midwife care during the first trimester, then provide a seamless transition for the remainder of your pregnancy, labor, and delivery.

Answers & reassurance

FREE Pregnancy Test

Complimentary

Whether you suspect pregnancy or are unsure about a faint line at home, visit us for a complimentary urine pregnancy test, encouragement, and help understanding your next steps.

SneakPeak Early Gender Test - As early as 6 Weeks!

05 / MASSAGE THERAPY

Before & after baby

Ready for Baby

\$179

90 MINUTES

Available beginning at 39 weeks, this full-body prenatal massage focuses on easing end-of-pregnancy tension and promoting relaxation as you prepare for labor. Includes reflexology and pressure personalized to your comfort and needs.

Mommy and Me - The 4th Trimester Massage

\$119

60 MINUTES

A gentle, restorative massage for mothers with babies 3 months and under. Baby may remain skin-to-skin on your chest while you enjoy soothing attention to the scalp, face, neck and shoulders, hands, and feet.

For an added touch of luxury, ask our team about pairing your massage with an IV treatment or Mom Nap for a restorative spa experience.

Raise the standard for postpartum care

Postpartum Wellness Visit

\$149

Meet with a registered nurse for reassurance, education, and support as you recover and care for your baby. Bring questions about healing, symptoms, breastfeeding, infant weight gain, or postpartum changes. This extra layer of care complements your OB or midwife and does not replace your 6-week check-up.

The Mom Nap

\$69

Two uninterrupted hours in a quiet room, with an eye mask, sound machine, essential oils, cozy blankets, and childcare for up to three children. Gentle sunrise music helps you wake peacefully.

Have more than 3 littles we'd need to care for? No problem - it's just \$10 additional per child.

Baby Weight Checks

Complimentary

A simple weight check for your little one any time you'd like one.

Car Seat Checks

\$5

During your appointment, we'll review your car seat installation, harness fit, proper positioning, and important safety guidelines. You'll also have the opportunity to ask questions and receive hands-on guidance specific to your child's car seat.

07 / BREASTFEEDING SUPPORT

Feed with confidence

Personalized care before and after your baby arrives.

Prenatal Visit \$150

Prepare for feeding with a personalized breastfeeding plan that explores your goals, support system, and practical next steps. Discuss previous feeding experiences, general questions, medical diagnoses such as thyroid conditions, PCOS, diabetes or infertility, and any previous breast surgery. Establish care during pregnancy so support is already in place after birth.

Breastfeeding Support Group \$10

Bring your baby for practical guidance and connection with an IBCLC and other mothers. Group meets every Friday at 10:00am.

Currently ONLY accepting Aetna, United Healthcare, CIGNA, and Curative. Coverage must be confirmed. Visits are led by our IBCLC - the highest level of breastfeeding expertise and support.

Gold Rush

\$275

1 APPOINTMENT +

A written care plan to move forward independently, plus one week of messaging support after your visit.

Currently ONLY accepting Aetna, United Healthcare, CIGNA, and Curative. Coverage must be confirmed. Visits are led by our IBCLC - the highest level of breastfeeding expertise and support.

08 / PELVIC FLOOR THERAPY

Strength from within

Individualized support through pregnancy and postpartum.

Initial Pelvic Floor Evaluation \$150

A one-on-one evaluation of your pelvic floor, core, breathing, movement patterns, and symptoms. Review concerns and goals, then create a personalized plan. Suitable during pregnancy, after vaginal or Cesarean birth, for pelvic floor symptoms or C-section scar concerns, or to build strength and confidence. Internal assessment is optional and performed only with consent.

Pelvic Floor Session \$90

A follow-up pelvic floor appointment to continue care based on your personalized plan.

Initial Infant Bodywork / Oral Motor Evaluation \$150

A gentle assessment of your baby's movement, tension patterns, feeding-related function, and nervous system regulation. Discuss your concerns and create a personalized plan to support comfort, coordination, and development. Techniques are gentle, hands-on, and baby-led.

A team beside you

Explore personalized doula support with a complimentary conversation.

Birth Doula Consultation

Complimentary

Experience birth differently with a Magnolia birth doula by your side. Whether you plan to give birth at a hospital, birth center, or home, your doula works alongside your partner, your nurses, your midwives, and your doctors to provide education, advocacy, comfort measures, and personalized support through unmedicated, epidural, induction, and cesarean births. Begin with a complimentary, no-obligation conversation to share your hopes, ask questions, and explore the package that fits your family.

Postpartum Doula Consultation

Complimentary

Meet a postpartum doula, ask questions, discuss your family's needs, and explore services and packages without pressure or obligation. In-home postpartum support may include newborn soothing, feeding support, recovery support, light household tasks, simple meals, older siblings, and reassurance. This complimentary visit helps you decide whether Magnolia is the right fit.

Support for your birth

The Magnolia Mini

Essential support with a birth planning session, continuous labor and delivery support, and postpartum care for feeding, sleep, recovery, and birth story processing.

The Blissful Birth

A birth planning session plus one additional prenatal session: Personalized Birth Prep; Mind, Body, Baby; Postpartum and Newborn Feeding; etc. Includes continuous labor and delivery support, and two postpartum visits.

The Magnolia - Most Popular

Unlimited prenatal visits with four to six pre-planned sessions, each up to two hours, covering birth planning, pregnancy preparation, newborn feeding, and hands-on birth prep. Includes continuous labor and delivery support, and two postpartum visits.

The Full Bloom

Collaborative care between your birth doula and your postpartum doula, so you get the very best care every step of the way. Includes three prenatal visits: two with your birth doula and one with your postpartum doula. It also includes continuous labor and delivery support, immediate postpartum care, a next-day check-in, and three full weeks of postpartum support.

Every package includes 24/7 phone and text support, continuous labor and delivery support, and personalized postpartum support.

Always personalized for YOU

Birth doula prices are tiered to give you more access and more flexibility.

Pink Jacket Doulas

Our most experienced and highly educated doulas. Each Pink Jacket Doula is fully certified through a nationally accredited program, has passed two comprehensive Magnolia exams, and has supported many families through birth.

Navy Scrub Doulas

Navy Scrub Doulas have completed their initial training through both a nationally accredited program and Magnolia, passed their initial Magnolia doula exam, and gained hands-on birth experience both alongside Pink Jacket Doulas and independently.

UMC Collaborative Care

For UMC moms receiving birth doula support at no cost through UMC's program, the prices below cover additional Magnolia prenatal and postpartum care. Some Magnolia doulas also contract with UMC, allowing you to receive coordinated care from the same doula. You may also choose a Magnolia doula for prenatal and postpartum care and a separate UMC doula for labor support.
