GARDEN CITY BIRD SANCTUARY, INC.

"Making Sump-Thing Happen!"

December 2025

Dear Friend,

Happy Holidays from all of us at the **Garden City Bird Sanctuary (GCBS)**!

Our 30th Anniversary Year has been an extraordinary year for the GCBS. We have been celebrating with community events each month, starting with our Winterfest in January and culminating in December with a Stargazing Night. During the year, we opened the GCBS for our annual yard sale, exploring the beauty of nocturnal jewels (moths), native plant hikes, volunteer workdays, bird watching, and our 18th year of Haunted Hikes.

Once a garbage-filled storm water basin, the GCBS is now an amazing example of environmental stewardship! We hope you visited the sanctuary to hike the trails and explore our gardens.

Please join us now with a gift that will help us continue to maintain and improve this extraordinary oasis in our community.

The GCBS was created and continues to thrive through the generosity and dedication of good people like you. We are a not-for-profit organization, and every penny we raise is used for the beautification of the sanctuary and our community programs. All donations are *100% tax deductible* as per the IRS Code, and donations may be made online at TheGCBS.org.

We also welcome new volunteers. If you would like to be a gate attendant, or join us in another capacity, please send an email to GCBirdSanctuary@gmail.com.

Many thanks for being a part of the GCBS community. We look forward to seeing you in the year ahead!

Very truly yours,

Brook Brown
President of the Board of Directors
