CORE COMPETENCIES

- **Conflict Transformation & Dispute System Design:** Practical conflict pathways, escalation protocols, de-escalation, and dispute resolution systems.
- **Workforce Training & Professional Development:** Instructor-led courses on communication, customer service under stress, ethics, and mediator practice.
- **Strategic Planning & Capacity Building:** Mission alignment, readiness assessments, governance, and operational roadmaps.
- **Facilitation & Stakeholder Engagement:** Culturally responsive, trauma-aware community dialogues, listening sessions, and executive decision-making.

PAST PERFORMANCE HIGHLIGHTS

- **SC Dept. of Juvenile Justice:** Designed executive consultation, tools, and the *Admin Power Hour* workshop for statewide community staff.
- **County Sheriff's Department:** Co-developed Youth Diversion Program framework and community-centered implementation plan.
- **State Aging Services:** Delivered high-stress customer service and de-escalation training for case managers navigating complex calls.

Key Differentiators

- **Co-Created Delivery:** Custom tools developed with staff for high adoption and long-term sustainability.
- **Practical Outputs:** Every engagement yields ready-to-use protocols, templates, and decision trees.
- **Trauma-Aware Focus:** Tailored specifically for high-stress environments and diverse community contexts.
- **30+ Years Depth:** Proven track record across South Carolina state agencies and non-profit systems.
