<b>Warranty</b>	Frame: lifetime limited Drivetrain: 2-year limited Electronics: 2-year limited Battery: 13-months

<sup>1</sup> Varies with user weight, terrain type, battery amp-hour (AH), battery charge, battery condition, and tire condition. This specification can be subject to a variance of (+ or -) 10%.

<sup>2</sup> Tested in accordance with ANSI/RESNA, MC Vol2, Section 4 & ISO 7176-4 standards. Results derived from theoretical calculations based on battery specifications and drive system performance. Test conducted at maximum weight capacity.

<sup>3</sup> Due to manufacturing tolerances and continual product improvement, this specification can be subject to a variance of (+ or -) 3%.

<sup>4</sup> Battery weight may vary based on battery manufacturer.

<sup>5</sup> Includes standard seat and batteries.

<sup>6</sup> AGM or gel cell type required.

20" x 20-22"

Rugged and built to last, the Baja™ Wrangler® 2 is everything you want in an outdoor scooter. Equipped with front and rear suspension, this aggressive scooter is designed for cruising on walking trails or driving around your property. Make your adventures legendary with the Baja™ Wrangler® 2!

## Features

- CTS Suspension includes industry-leading front and rear suspension for a smoother ride
- Steering dampening system absorbs uncontrolled movement over rugged terrain, limits fatigue and reduces energy needed to control handles
- Black vinyl, limited recline memory foam seat with manual adjustment, heavy-duty seat post, sliders and height, width, depth, and angle adjustable armrests and 60" lap belt
- User friendly LED console with variable speed control displays time, temperature, miles driven, and trips taken plus horn and light buttons
- Adjustable delta tiller with ergonomic, wraparound handles and XLR charging port
- USB charger for charging portable devices
- Easily accessible tie-down points (for transport of unoccupied scooter)
- Full LED lighting package includes headlights, hazard lights, and directional signals
- Rear backup sensor LED lights indicate when you are too close to an object when in reverse
- Hydraulic hand brake with standard regenerative and electro-mechanical braking system
- Easy battery installation
