

PERFORMANCE FABRICS

Ultrafabrics® UltraLeather™ on Pride® Power Lift Recliners offer a richly detailed grain pattern expressive of premium grade leather. Ultrafabrics' polyurethane products are manufactured utilizing Tukumi™ technology, a 4-layer laboratory process to create a luxurious, durable and comfortable polyurethane fabric.

FEATURES AND BENEFITS

- Rich feel and natural grain pattern expressive of soft luxury-grade leather
- Clinically proven more resistant to temperature changes than vinyl and genuine leather for comfort
- Antimicrobial surface cleans effortlessly with soap and water

Crypton® Super Fabrics from Pride® Power Lift Recliners are not only luxurious, durable and contemporary, but also resist spills, stains, odors and bacteria. Nothing gets past Crypton's unique patented integrated fiber process, protecting your upholstery inside and out.

FEATURES AND BENEFITS

- 100% water resistant – spills just wipe away
- Only disinfectable fabrics in the U.S. approved by the EPA
- Permanent technology that will not come off the fabrics
- 5-year warranty on moisture barrier

Lexis Sta-Kleen® Performance Fabric is a revolution in faux leather upholstery – the first stain resistant urethane fabric. Sta-Kleen offers permanent protection, created with a proprietary bonding process inherent in the manufacturing process of the product. It is not a topical application; it will last the lifetime of the upholstery.

FEATURES AND BENEFITS

- Look and feel of real leather, but with care-free durability
- Exceptional strength, abrasion resistance, and UV stability
- "Stain shield" allows spills to wipe off with a cloth, and it's anti-bacterial

QUALITY CONSTRUCTION

Pride's exclusive high-quality power lift recliner designs offer:

- Premium furniture-grade laminate/hardwood frames for added strength and durability
- Heavy-duty lift actuator and scissor mechanism for long chair life
- Quiet and smooth lift system
- High resiliency fiber-fill for maximum comfort
- Fabric options to fit any need and décor

In addition, Pride's industry leading power lift recliner designs are easy to use, available in a wide variety of stylish, high-quality fabric selections and provide the highest level of durability and longevity available.

POSITION GUIDE (The lifted, seated and reading positions are achievable on all Pride® Power Lift Recliners.)

PRODUCT VIEW	LIFTED	SEATED	READING	NAPPING	RELAXING	INFINITE POSITION	TRENDELENBERG
2-Position	The 2-position TV recline is achievable on all Pride® Power Lift Recliners. This is a comfortable position for performing many relaxing activities including reading, watching TV, working on your tablet or for conversation with family and friends.						
3-Position	The 3-position full recline is available on most Pride® Power Lift Recliner models and puts you in a position ideal for napping or relaxing.						
Infinite Position	The infinite-position lay flat recline is perfect for taking a nap. Infinite-position Pride® Power Lift Recliners enable the backrest and footrest to move independently from one another so that a variety of positions can be reached. Infinite positioning allows for easier social engagement, eating and crafting activities while having the footrest fully elevated.						
Trendelenburg	The Trendelenburg position, elevates one's feet higher than his or her head for increased comfort and relaxation.
