**Lightweight Retractable Ramp**

Perfect helping hand for those that find their Travel Buggy a little too heavy to lift. Weighing only 19 lbs, our retractable ramp design makes it easy to carry and store. Features a push-button safety lock to hold the ramp at 4 ft. and 7 ft. lengths. Non-skid traction surface and side guardrails on the edge prevent the wheels from slipping or falling off the side. Max capacity of 600 lbs. Comes with a FREE Carry Bag.

**Heavy Duty Travel Bag**

This heavy duty padded canvas travel bag is a must if you want to make sure the airlines don't scratch your brand new travel wheelchair. Simply fold your Travel Buggy and put this bag overtop. It fastens securely on the sides and underneath with Velcro and allows the wheels to move freely for convenient transportation through the airport. Our Heavy Duty Travel Bag also comes with a large front pocket to store your joystick, charger or other items.

**Multi Pocket Organizer**

Keep all your accessories nearby with this arm rest organizer. Includes two large zipper pouches (front and back) and three smaller open pouches for pens, eye glasses, cell phone etc. This organizer fastens tightly with Velcro to the armrest for easy access. Dimensions 14" x 7"

**Adjustable Headrest**

Our headrest can be positioned in multiple locations and angles ensuring the users full comfort. The headrest is 14" wide, 5" in height and 3.5" thick. Each side can be contoured in to comfort the head. Features a removable and washable cover.

**Clamp On Umbrella**

Multi-angle umbrella and clamp to keep you protected. This product is simple to use and as versatile as our power chairs. It features a 4-way swivel by the two push button hinges for easy adjustment. Umbrella and clamp folds down together for compact transportation in included carry bag. UPF 50+ lining for maximum sun protection.

**Adjustable Leg Extension**

Ideal for those that have trouble bending their knees or taller customers. These extensions add up to nearly 20" of length with a soft calf pad. They are fully adjustable for angles and extended lengths.

## Accessories

### Cane Holder

Keep your cane nearby with this easy to use cane holder. It simply mounts on the back of your Travel Buggy for convenient access after you are done your ride. Compatible with most canes and brands up to 1.5" diameters.

### Bag Hook

The perfect hook for the center bar of your Travel Buggy to hold day bags, a purse or shopping bags. The hook is easy to attach and fastens securely so items don't fall off. Made of strong and lightweight aluminum.

### LED Lights

For those that like to head out after dark, these red and black LED lights are a must have! Includes two lights, one headlight and one taillight. The LED lights easily and securely fastens to your Travel Buggy. Features 3 light settings, slow blink, fast blink and constant light. Package includes 2 lights, one headlight (black silicone with white light) and one tail light (red silicone with red light). Size is 6cm x 4cm (small).

### Shopping Basket

Detachable (and collapsible) metal basket for extra storage on the back of your portable electric wheelchair. This basket is completely weather-proof and made of a highly durable steel. Features hooks to slip on and off the backrest of your chair as well as optional mounting bracket to secure for heavier loads. Dimensions: 14"x 8"x 9"

\*Caution: spring loaded, so be mindful when unfolding the basket.

### Cargo Net

Our cargo net is perfect for holding larger canes, bags, extra shoes or whatever it is you need on the go. It features smaller 2" x 2" mesh to safely secure your cargo and help eliminate fall through. Our large hooks made of durable ABS plastic, fit on all models easily and are designed to reduce the chance of scratching. Also features subhooks allowing you to pull the net tightly across the backrest. Dimensions: 15" x 15". Color Black.

### Care Giver Mount

Our new multi-position care giver mount can position the joystick on the back of your Travel Buggy for a caregiver to drive and steer your power chair. Allows the care giver to walk behind the chair comfortably. The new design can be fixed in various positions based on the user's requirements. \*Excludes Joystick
