

# Our Models

Model	CITY 2 PLUS	AEROLUX	DASH
Description	CITY 2 PLUS is our largest foldable power chair and is packed with a ton of features. It's ideal for those looking for a premium product and plus sized users. A key feature of CITY 2 PLUS is its ability to be disassembled into 3 easy to load pieces. CITY 2 PLUS also offers many comforts not found in other foldable power chairs.	The AEROLUX is made of 100% carbon fiber making it extremely lightweight and very strong. It features a highly responsive controller & a unique cross-folding frame that folds so narrow it can be tucked away in even the smallest spaces. The AEROLUX is ideal for customers where portability of their mobility device trumps most other needs.	DASH provides great value and is a perfect choice for on-the-go users. DASH is a stylish & comfortable power chair with lots of pep. Its lightweight & compact design makes it ideal for daily outings or travel. DASH is best for someone looking for convenience and comfort but doesn't need the extra features in the CITY 2 PLUS or the ultra-light frame of the AEROLUX.
