Buzzaround GB120

The Buzzaround CarryOn fold-flat scooter is small in stature and big on fun! This super portable, sporty scooter will take you where you want to go in comfort and style! It features a 300 lb. weight capacity, an infinite adjustable tiller with a convenient USB port and drink holder, full front and rear light package, and flip up armrests. Enjoy long range coverage up to 14 miles on the airline friendly 12.5 AH lithium-ion battery, which can be removed and taken as a carry on while traveling by air, sea or train in a stylish carry case. A new rear basket is mounted on the deck to hold an optional spare 12.5 AH battery for even longer range and serves as a kickstand for storing upright. The heaviest piece is 47.5 lbs. (without seat and batteries) and the height when folded is only 12". It disassembles easily into two pieces and is designed to store in the smallest compartments. It comes standard with red color shrouds installed and an extra set in blue. New optional color shroud kits let you express a style all your own! Pack your dreams and go anywhere with the CarryOn Scooter!
